3 services or interim placement, the child's current agreed-upon IEP shall be amended to include such
4 areas of agreement until the areas of disagreement are resolved, and the local educational agency
5 and the parents shall include an addendum in the IEP that specifies the date by which the areas of

27 claims related to nonprovision of any services not consented to by the parent; and

28 (c) A "Partial consent" box, signature line, date line, and space for indicating the areas of
29 agreement.

30 (2) A parental consent form shall not be required in situations where a placement, removal,
31 addition, change, or reduction of services in the IEP of a child with disabilities occurs because of a
32 violation of a code of student conduct that results in a suspension of such child in accordance with
33 34 CFR 300.530.

34 7. If a local educational agency and parent fail to reach an agreement, either party may
