8 contrary, the director of revenue shall establish a system of registration of all farm vehicles, as
9 defined in section 302.700, owned or purchased by a farm vehicle fleet owner registered under this
10 section. The director of revenue shall prescribe the forms for such farm vehicle fleet registration
11 and the forms and procedures for the registration updates prescribed in this section. Any owner of
12 more than one farm vehicle which is required to be registered under this chapter may, at his or her
13 option, register a fleet of farm vehicles on an annual or biennial basis under this section in lieu of
14 the registration periods provided in sections 301.030, 301.035, and 301.147. The director shall issue
15 an identification number to each registered owner of a fleet of farm vehicles registered under this
16 section.

17 2. All farm vehicles included in the fleet of a registered farm vehicle fleet owner shall be
18 registered during April of the corresponding year or on a prorated basis as provided in subsection 3
19 of this section. Fees of all vehicles in the farm vehicle fleet to be registered on an annual or biennial
20 basis shall be payable not later than the last day of April of the corresponding year, with two years'
21 fees due for biennially-registered vehicles. Notwithstanding the provisions of section 307.355, a
22 certificate of inspection and approval issued no more than one hundred twenty days prior to the date
23 of application for registration shall be valid for registration of a farm fleet vehicle in accordance
24 with this section. The fees for vehicles added to the farm vehicle fleet which are required to be
25 licensed at the time of registration shall be payable at the time of registration, except that when such
26 vehicle is licensed between July first and September thirtieth the fee shall be three-fourths the
27 annual fee, when licensed between October first and December thirty-first the fee shall be one-half
28 the annual fee, and when licensed on or after January first the fee shall be one-fourth the annual fee.

Action Taken _____ Date _____

1 If biennial registration is sought for vehicles added to a farm vehicle fleet, an additional year's
 2 annual fee shall be added to the partial year's prorated fee.

3 3. At any time during the calendar year in which an owner of a farm vehicle fleet purchases
 4 or otherwise acquires a farm vehicle which is to be added to the farm vehicle fleet or transfers plates
 5 to a fleet vehicle, the owner shall present to the director of revenue the identification number as a
 6 fleet number and may register the vehicle for the partial year as provided in subsection 2 of this
 7 section. The farm vehicle fleet owner shall also be charged a transfer fee of two dollars for each
 8 vehicle so transferred under this subsection.

9 4. Except as specifically provided in this subsection, all farm vehicles registered under this
 10 section shall be issued a special license plate which shall have the words "Farm Fleet Vehicle" and
 11 shall meet the requirements prescribed by section 301.130. Farm fleet vehicles shall be issued
 12 multiyear license plates as provided in this section which shall not require issuance of a renewal tab.
 13 Upon payment of appropriate registration fees, the director of revenue shall issue a registration
 14 certificate or other suitable evidence of payment of the annual or biennial fee, and such evidence of
 15 payment shall be carried at all times in the vehicle for which it is issued.

16 5. The director shall make all necessary rules and regulations for the administration of this
 17 section and shall design all necessary forms required by this section. Any rule or portion of a rule,
 18 as that term is defined in section 536.010, that is created under the authority delegated in this section
 19 shall become effective only if it complies with and is subject to all the provisions of chapter 536
 20 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the
 21 powers vested with the general assembly under chapter 536 to review, to delay the effective date, or
 22 to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking
 23 authority and any rule proposed or adopted after August 28, 2024, shall be invalid and void.

2 twenty-five dollars, inclusive of the railroad crossing safety fee prescribed in section 389.612.

3 2. The annual registration fee for motorcycles, motortricycles, and autocycles is ten dollars,
4 inclusive of the railroad crossing safety fee prescribed in section 389.612.

5 3. Notwithstanding any other provision of law, the registration of any autocycle registered as
6 a motorcycle or motortricycle prior to August 28, 2018, shall remain in effect until the expiration of
7 the registration period for such vehicle at which time the owner shall be required to renew the motor
8 vehicle's registration under the autocycle classification and pay the appropriate registration fee.

9 301.070. 1. ~~[In determining fees based on the horsepower of vehicles propelled by internal~~
10 ~~combustion engines, the horsepower shall be computed and recorded upon the following formula~~
11 ~~established by the National Automobile Chamber of Commerce: Square the bore of the cylinder in~~
12 ~~inches multiplied by the number of cylinders, divided by two and one-half.~~

13 2. ~~The horsepower of all motor vehicles propelled by steam may be accepted as rated by the~~
14 ~~manufacturers thereof, or may be determined in accordance with regulations promulgated by the~~
15 ~~director.~~

16 3. ~~The horsepower of all motor vehicles, except commercial motor vehicles, propelled by~~
17 ~~electric power, shall be rated as being between twelve and twenty-four horsepower.~~

18 4.] Fees of commercial motor vehicles, other than passenger-carrying commercial motor
19 vehicles, shall be based on the gross weight of the vehicle or any combination of vehicles and the
20 maximum load to be carried at any one time during the license period, except the fee for a wrecker,
21 tow truck, rollback or car carrier used in a towing service shall be based on the empty weight of
22 such vehicle fully equipped for the recovery or towing of vehicles.

23 [5.] 2. The decision of the director as to the type of motor vehicles and their classification
24 for the purpose of registration and the computation of fees therefor shall be final and conclusive.

25 301.110. 1. Whenever the director shall determine from an increase or decrease in the
26 number of registrations of all types of motor vehicles in any given month that the volume of clerical
27 work of registration of all types of motor vehicles in such month has become so disproportionate to
28 the volume of work in the remaining registration periods as to render the system burdensome or
29 inefficient, he is authorized and empowered to change the registration period of any number of
30 motor vehicles, other than commercial motor vehicles, as may be necessary to increase or reduce the
31 volume of registration in one or more periods by advancing the renewal date and shortening the
32 registration period of such motor vehicles.

33 2. The shifting of registration periods shall be accomplished by notifying the registrants of
34 the change, and giving them credit for that portion of the registration period not yet elapsed. In such
35 instances the director shall order the registrant to surrender the license plates and registration
36 certificate held by him and shall assign and issue, without cost to the owner, new plates and a
37 registration certificate designating the new registration expiration date.

38 3. Notwithstanding subsection 6 of section 142.869 or any other provision of law to the
39 contrary, the director may stagger the collection of alternative fuel decal fees and issuance of

1 alternative fuel decals so that issuance of alternative fuel decals occurs at the time of vehicle
2 registration and the decal or decals are valid for the duration of the vehicle's registration period. In
3 lieu of an alternative fuel decal, the director may issue a receipt showing payment of the alternative
4 fuel decal fee, which shall be kept with the vehicle and valid in place of an alternative fuel decal
5 displayed in accordance with section 142.869.

6 301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of
7 registration and the right to use the number plates shall expire and the number plates shall be
8 removed by the owner at the time of the transfer of possession, and it shall be unlawful for any
9 person other than the person to whom such number plates were originally issued to have the same in
10 his or her possession whether in use or not, unless such possession is solely for charitable purposes;
11 except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach
12 the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or
13 trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more
14 than thirty days, or no more than ninety days if the dealer is selling the motor vehicle under the
15 provisions of section 301.213, or no more than sixty days if the dealer is selling the motor vehicle
16 under the provisions of subsection 5 of section 301.210. As used in this subsection, the term "trade-
17 in motor vehicle or trailer" shall include any single motor vehicle or trailer sold by the buyer of the
18 newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or
19 trailer are still valid.

20 2. In the case of a transfer of ownership the original owner may register another motor
21 vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of
22 [~~horsepower,~~] gross weight or (in the case of a passenger-carrying commercial motor vehicle)
23 seating capacity[;] not in excess of that originally registered. When such motor vehicle is of greater
24 [~~horsepower,~~] gross weight or (in the case of a passenger-carrying commercial motor vehicle)
25 seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two
26 dollars and a pro rata portion for the difference in fees. When such vehicle is of less [~~horsepower,~~]
27 gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for
28 which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

29 3. License plates may be transferred from a motor vehicle which will no longer be operated
30 to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer
31 fee of two dollars if the newly purchased vehicle is of [~~horsepower,~~] gross weight or (in the case of a
32 passenger-carrying commercial motor vehicle) seating capacity[;] not in excess of that of the vehicle
33 which will no longer be operated. When the newly purchased motor vehicle is of greater
34 [~~horsepower,~~] gross weight or (in the case of a passenger-carrying commercial motor vehicle)
35 seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two
36 dollars and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less
37 [~~horsepower,~~] gross weight or (in the case of a passenger-carrying commercial motor vehicle)
38 seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

1 4. The director of the department of revenue shall have authority to produce or allow others
2 to produce a weather resistant, nontearing temporary permit authorizing the operation of a motor
3 vehicle or trailer by a buyer for not more than thirty days, or no more than ninety days if issued by a
4 dealer selling the motor vehicle under the provisions of section 301.213, or no more than sixty days
5 if issued by a dealer selling the motor vehicle under the provisions of subsection 5 of section
6 301.210, from the date of purchase. The temporary permit authorized under this section may be
7 purchased by the purchaser of a motor vehicle or trailer from the central office of the department of
8 revenue or from an authorized agent of the department of revenue upon proof of purchase of a motor
9 vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof
10 of financial responsibility, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer
11 for which the buyer has no registration plate available for transfer, or from a motor vehicle dealer
12 upon purchase of a motor vehicle or trailer for which the buyer has registered and is awaiting receipt
13 of registration plates. The director of the department of revenue or a producer authorized by the
14 director of the department of revenue may make temporary permits available to registered dealers in
15 this state, authorized agents of the department of revenue or the department of revenue. The price
16 paid by a motor vehicle dealer, an authorized agent of the department of revenue or the department
17 of revenue for a temporary permit shall not exceed five dollars for each permit. The director of the
18 department of revenue shall direct motor vehicle dealers and authorized agents to obtain temporary
19 permits from an authorized producer. Amounts received by the director of the department of
20 revenue for temporary permits shall constitute state revenue; however, amounts received by an
21 authorized producer other than the director of the department of revenue shall not constitute state
22 revenue and any amounts received by motor vehicle dealers or authorized agents for temporary
23 permits purchased from a producer other than the director of the department of revenue shall not
24 constitute state revenue. In no event shall revenues from the general revenue fund or any other state
25 fund be utilized to compensate motor vehicle dealers or other producers for their role in producing
26 temporary permits as authorized under this section. Amounts that do not constitute state revenue
27 under this section shall also not constitute fees for registration or certificates of title to be collected
28 by the director of the department of revenue under section 301.190. No motor vehicle dealer,
29 authorized agent or the department of revenue shall charge more than five dollars for each permit
30 issued. The permit shall be valid for a period of thirty days, or no more than ninety days if issued by
31 a dealer selling the motor vehicle under the provisions of section 301.213, or no more than sixty
32 days if issued by a dealer selling the motor vehicle under the provisions of subsection 5 of section
33 301.210, from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor
34 vehicle or trailer by a motor vehicle dealer for which the purchaser obtains a permit as set out above.
35 No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial
36 responsibility. Each temporary permit issued shall be securely fastened to the back or rear of the
37 motor vehicle in a manner and place on the motor vehicle consistent with registration plates so that
38 all parts and qualities of the temporary permit thereof shall be plainly and clearly visible, reasonably
39 clean and are not impaired in any way.

1 5. The permit shall be issued on a form prescribed by the director of the department of
2 revenue and issued only for the applicant's temporary operation of the motor vehicle or trailer
3 purchased to enable the applicant to temporarily operate the motor vehicle while proper title and
4 registration plates are being obtained, or while awaiting receipt of registration plates, and shall be
5 displayed on no other motor vehicle. Temporary permits issued pursuant to this section shall not be
6 transferable or renewable, shall not be valid upon issuance of proper registration plates for the motor
7 vehicle or trailer, and shall be returned to the department or to the department's agent upon the
8 issuance of such proper registration plates. Any temporary permit returned to the department or to
9 the department's agent shall be immediately destroyed. The provisions of this subsection shall not
10 apply to temporary permits issued for commercial motor vehicles licensed in excess of twenty-four
11 thousand pounds gross weight. The director of the department of revenue shall determine the size,
12 material, design, numbering configuration, construction, and color of the permit. The director of the
13 department of revenue, at his or her discretion, shall have the authority to reissue, and thereby
14 extend the use of, a temporary permit previously and legally issued for a motor vehicle or trailer
15 while proper title and registration are being obtained.

16 6. Every motor vehicle dealer that issues temporary permits shall keep, for inspection by
17 proper officers, an accurate record of each permit issued by recording the permit number, the motor
18 vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and
19 manufacturer's vehicle identification number, and the permit's date of issuance and expiration date.
20 Upon the issuance of a temporary permit by either the central office of the department of revenue, a
21 motor vehicle dealer or an authorized agent of the department of revenue, the director of the
22 department of revenue shall make the information associated with the issued temporary permit
23 immediately available to the law enforcement community of the state of Missouri.

24 7. Upon the transfer of ownership of any currently registered motor vehicle wherein the
25 owner cannot transfer the license plates due to a change of motor vehicle category, the owner may
26 surrender the license plates issued to the motor vehicle and receive credit for any unused portion of
27 the original registration fee against the registration fee of another motor vehicle. Such credit shall
28 be granted based upon the date the license plates are surrendered. No refunds shall be made on the
29 unused portion of any license plates surrendered for such credit.

30 8. An additional temporary license plate produced in a manner and of materials determined
31 by the director to be the most cost-effective means of production with a configuration that matches
32 an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the
33 interior of the vehicle's rear window such that the driver's view out of the rear window is not
34 obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as
35 the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such
36 temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in
37 the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate
38 shall be equal to the fee charged for a temporary permit issued under subsection 4 of this section.
39 Replacement temporary plates authorized in this subsection may be issued as needed upon the

1 payment of a fee equal to the fee charged for a temporary permit under subsection 4 of this section.
2 The newly produced third plate may only be used on the vehicle with the matching plate, and the
3 additional plate shall be clearly recognizable as a third plate and only used for the purpose specified
4 in this subsection.

5 9. Notwithstanding the provisions of section 301.217, the director may issue a temporary
6 permit to an individual who possesses a salvage motor vehicle which requires an inspection under
7 subsection 9 of section 301.190. The operation of a salvage motor vehicle for which the permit has
8 been issued shall be limited to the most direct route from the residence, maintenance, or storage
9 facility of the individual in possession of such motor vehicle to the nearest authorized inspection
10 facility and return to the originating location. Notwithstanding any other requirements for the
11 issuance of a temporary permit under this section, an individual obtaining a temporary permit for the
12 purpose of operating a motor vehicle to and from an examination facility as prescribed in this
13 subsection shall also purchase the required motor vehicle examination form which is required to be
14 completed for an examination under subsection 9 of section 301.190 and provide satisfactory
15 evidence that such vehicle has passed a motor vehicle safety inspection for such vehicle as required
16 in section 307.350.

17 10. The director of the department of revenue may promulgate all necessary rules and
18 regulations for the administration of this section. Any rule or portion of a rule, as that term is
19 defined in section 536.010, that is created under the authority delegated in this section shall become
20 effective only if it complies with and is subject to all of the provisions of chapter 536 and, if
21 applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers
22 vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to
23 disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking
24 authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

25 11. The repeal and reenactment of this section shall become effective on the date the
26 department of revenue or a producer authorized by the director of the department of revenue begins
27 producing temporary permits described in subsection 4 of such section, or on July 1, 2013,
28 whichever occurs first. If the director of revenue or a producer authorized by the director of the
29 department of revenue begins producing temporary permits prior to July 1, 2013, the director of the
30 department of revenue shall notify the revisor of statutes of such fact.

25 displayed on the dashboard on the driver's side.

26 11. The removable windshield placard shall conform to the specifications, in respect to size,
27 color, and content, as set forth in federal regulations published by the Department of Transportation.
28 The removable windshield placard shall be renewed every four years. The director may stagger the
29 expiration dates to equalize workload or until the time of motor vehicle registration renewal for the
30 convenience of the applicant. Only one removable placard may be issued to an applicant who has
31 been issued disabled person license plates. Upon request, one additional windshield placard may be
32 issued to an applicant who has not been issued disabled person license plates.

33 12. A temporary windshield placard shall be issued to any physically disabled person, or the
34 parent or guardian of any such person who otherwise qualifies except that the physical disability, in
35 the opinion of the physician, is not expected to exceed a period of one hundred eighty days. The
36 temporary windshield placard shall conform to the specifications, in respect to size, color, and
37 content, as set forth in federal regulations published by the Department of Transportation. The fee
38 for the temporary windshield placard shall be two dollars. Upon request, and for good cause shown,
39 one additional temporary windshield placard may be issued to an applicant. Temporary windshield

1 placards shall be issued upon presentation of the physician's statement provided by this section and
2 shall be displayed in the same manner as removable windshield placards. A person or entity shall be
3 qualified to possess and display a temporary removable windshield placard for six months and the
4 placard may be renewed once for an additional six months if a physician's statement pursuant to this
5 section is supplied to the director of revenue at the time of renewal.

6 13. Application for license plates or windshield placards issued pursuant to this section shall
7 be made to the director of revenue and shall be accompanied by a statement signed by a licensed
8 physician or other authorized health care practitioner which certifies that the applicant, user, or
9 member of the applicant's household is a physically disabled person as defined by this section.

10 14. The placard shall be renewable only by the person or entity to which the placard was
11 originally issued. Any placard issued pursuant to this section shall only be used when the physically
12 disabled occupant for whom the disabled plate or placard was issued is in the motor vehicle at the
13 time of parking or when a physically disabled person is being delivered or collected. A disabled
14 license plate and/or a removable windshield hanging placard are not transferable and may not be
15 used by any other person whether disabled or not.

16 15. At the time the disabled plates or windshield hanging placards are issued, the director
17 shall issue a registration certificate which shall include the applicant's name, address, and other
18 identifying information as prescribed by the director, or if issued to an agency, such agency's name
19 and address. This certificate shall further contain the disabled license plate number or, for
20 windshield hanging placards, the registration or identifying number stamped on the placard. The
21 validated registration receipt given to the applicant shall serve as the registration certificate.

22 16. The director shall, upon issuing any disabled registration certificate for license plates
23 and/or windshield hanging placards, provide information which explains that such plates or
24 windshield hanging placards are nontransferable, and the restrictions explaining who and when a
25 person or vehicle which bears or has the disabled plates or windshield hanging placards may be used
26 or be parked in a disabled reserved parking space, and the penalties prescribed for violations of the
27 provisions of this act.

28 17. Every new applicant for a disabled license plate or placard shall be required to present a
29 new physician's statement dated no more than ninety days prior to such application. Renewal
30 applicants will be required to submit a physician's statement dated no more than ninety days prior to
31 such application upon their first renewal occurring on or after August 1, 2005. Upon completing
32 subsequent renewal applications, a physician's statement dated no more than ninety days prior to
33 such application shall be required every eighth year. Such physician's statement shall state the
34 expiration date for the temporary windshield placard. If the physician fails to record an expiration
35 date on the physician's statement, the director shall issue the temporary windshield placard for a
36 period of thirty days. The director may stagger the requirement of a physician's statement on all
37 renewals for the initial implementation of an eight-year period.

38 18. The director of revenue upon receiving a physician's statement pursuant to this
39 subsection shall check with the state board of registration for the healing arts created in section

1 334.120, or the Missouri state board of nursing established in section 335.021, with respect to
2 physician's statements signed by advanced practice registered nurses, or the Missouri state board of
3 chiropractic examiners established in section 331.090, with respect to physician's statements signed
4 by licensed chiropractors, or with the board of optometry established in section 336.130, with
5 respect to physician's statements signed by licensed optometrists, or the state board of podiatric
6 medicine created in section 330.100, with respect to physician's statements signed by physicians of
7 the foot or podiatrists to determine whether the physician is duly licensed and registered pursuant to
8 law. If such applicant obtaining a disabled license plate or placard presents proof of disability in the
9 form of a statement from the United States Veterans' Administration verifying that the person is
10 permanently disabled, the applicant shall be exempt from the eight-year certification requirement of
11 this subsection for renewal of the plate or placard. Initial applications shall be accompanied by the
12 physician's statement required by this section. Notwithstanding the provisions of paragraph (f) of
13 subdivision (4) of subsection 1 of this section, any person seventy-five years of age or older who
14 provided the physician's statement with the original application shall not be required to provide a
15 physician's statement for the purpose of renewal of disabled persons license plates or windshield
16 placards.

17 19. The boards shall cooperate with the director and shall supply information requested
18 pursuant to this subsection. The director shall, in cooperation with the boards which shall assist the
19 director, establish a list of all Missouri physicians and other authorized health care practitioners and
20 of any other information necessary to administer this section.

21 20. Where the owner's application is based on the fact that the vehicle is used at least fifty
22 percent of the time by a physically disabled person, the applicant shall submit a statement stating
23 this fact, in addition to the physician's statement. The statement shall be signed by both the owner
24 of the vehicle and the physically disabled person. The applicant shall be required to submit this
25 statement with each application for license plates. No person shall willingly or knowingly submit a
26 false statement and any such false statement shall be considered perjury and may be punishable
27 pursuant to section 301.420.

28 21. The director of revenue shall retain all physicians' statements and all other documents
29 received in connection with a person's application for disabled license plates and/or disabled
30 windshield placards.

31 22. The director of revenue shall enter into reciprocity agreements with other states or the
32 federal government for the purpose of recognizing disabled person license plates or windshield
33 placards issued to physically disabled persons.

34 23. When a person to whom disabled person license plates or a removable or temporary
35 windshield placard or both have been issued dies, the personal representative of the decedent or such
36 other person who may come into or otherwise take possession of the disabled license plates or
37 disabled windshield placard shall return the same to the director of revenue under penalty of law.
38 Failure to return such plates or placards shall constitute a class B misdemeanor.

1 24. The director of revenue may order any person issued disabled person license plates or
2 windshield placards to submit to an examination by a chiropractor, osteopath, or physician, or to
3 such other investigation as will determine whether such person qualifies for the special plates or
4 placards.

5 25. If such person refuses to submit or is found to no longer qualify for special plates or
6 placards provided for in this section, the director of revenue shall collect the special plates or
7 placards, and shall furnish license plates to replace the ones collected as provided by this chapter.

8 26. In the event a removable or temporary windshield placard is lost, stolen, or mutilated,
9 the lawful holder thereof shall, within five days, file with the director of revenue an application and
10 an affidavit stating such fact, in order to purchase a new placard. The fee for the replacement
11 windshield placard shall be four dollars.

12 27. Fraudulent application, renewal, issuance, procurement or use of disabled person license
13 plates or windshield placards shall be a class A misdemeanor. It is a class B misdemeanor for a
14 physician, chiropractor, podiatrist or optometrist to certify that an individual or family member is
15 qualified for a license plate or windshield placard based on a disability, the diagnosis of which is
16 outside their scope of practice or if there is no basis for the diagnosis.

17 301.147. 1. Notwithstanding the provisions of section 301.020 to the contrary, beginning
18 July 1, 2000, the director of revenue may provide owners of motor vehicles, other than commercial
19 motor vehicles licensed in excess of fifty-four thousand pounds gross weight, the option of
20 biennially registering motor vehicles. ~~[Any vehicle manufactured as an even-numbered model year~~
21 ~~vehicle shall be renewed each even-numbered calendar year and any such vehicle manufactured as~~
22 ~~an odd-numbered model year vehicle shall be renewed each odd-numbered calendar year, subject to~~
23 ~~the following requirements:]~~

24 (1) The fee collected at the time of biennial registration shall include the annual registration
25 fee plus a pro rata amount for the additional [twelve] months of the biennial registration;

26 (2) Presentation of all documentation otherwise required by law for vehicle registration
27 including, but not limited to, a personal property tax receipt or certified statement for the preceding
28 year that no such taxes were due as set forth in section 301.025, proof of a motor vehicle safety
29 inspection and any applicable emission inspection conducted within sixty days prior to the date of
30 application and proof of insurance as required by section 303.026.

31 2. The director of revenue may prescribe rules and regulations for the effective
32 administration of this section. The director is authorized to adopt those rules that are reasonable and
33 necessary to accomplish the limited duties specifically delegated within this section. Any rule or
34 portion of a rule, as that term is defined in section 536.010, that is promulgated pursuant to the
35 authority delegated in this section shall become effective only if it has been promulgated pursuant to
36 the provisions of chapter 536. This section and chapter 536 are nonseverable and if any of the
37 powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective
38 date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of
39 rulemaking authority and any rule proposed or adopted after July 1, 2000, shall be invalid and void.

1 3. The director of revenue shall have the authority to stagger the registration period of motor
 2 vehicles, other than commercial motor vehicles licensed in excess of twelve thousand pounds gross
 3 weight, to equalize workload or for the convenience of registration applicants. Once the owner of a
 4 motor vehicle chooses the option of biennial registration, such registration must be maintained for
 5 the full twenty-four month period."; and

 10 "301.560. 1. In addition to the application forms prescribed by the department, each
 11 applicant shall submit the following to the department:

12 (1) Every application other than a renewal application for a motor vehicle franchise dealer
 13 shall include a certification that the applicant has a bona fide established place of business. Such
 14 application shall include an annual certification that the applicant has a bona fide established place
 15 of business for the first three years and only for every other year thereafter. The certification shall
 16 be performed by a uniformed member of the Missouri state highway patrol or authorized or
 17 designated employee stationed in the troop area in which the applicant's place of business is located;
 18 except that in counties of the first classification, certification may be performed by an officer of a
 19 metropolitan police department when the applicant's established place of business of distributing or
 20 selling motor vehicles or trailers is in the metropolitan area where the certifying metropolitan police
 21 officer is employed. When the application is being made for licensure as a boat manufacturer or
 22 boat dealer, certification shall be performed by a uniformed member of the Missouri state highway
 23 patrol or authorized or designated employee stationed in the troop area in which the applicant's place
 24 of business is located or, if the applicant's place of business is located within the jurisdiction of a
 25 metropolitan police department in a first class county, by an officer of such metropolitan police
 26 department. A bona fide established place of business for any new motor vehicle franchise dealer,
 27 used motor vehicle dealer, boat dealer, powersport dealer, wholesale motor vehicle dealer, trailer
 28 dealer, or wholesale or public auction shall be a permanent enclosed building or structure, either
 29 owned in fee or leased and actually occupied as a place of business by the applicant for the selling,
 30 bartering, trading, servicing, or exchanging of motor vehicles, boats, personal watercraft, or trailers
 31 and wherein the public may contact the owner or operator at any reasonable time, and wherein shall
 32 be kept and maintained the books, records, files and other matters required and necessary to conduct
 33 the business. The applicant shall maintain a working telephone number during the entire
 34 registration year which will allow the public, the department, and law enforcement to contact the
 35 applicant during regular business hours. The applicant shall also maintain an email address during
 36 the entire registration year which may be used for official correspondence with the department. In
 37 order to qualify as a bona fide established place of business for all applicants licensed pursuant to
 38 this section there shall be an exterior sign displayed carrying the name of the business set forth in
 39 letters at least six inches in height and clearly visible to the public and there shall be an area or lot

1 which shall not be a public street on which multiple vehicles, boats, personal watercraft, or trailers
2 may be displayed. The sign shall contain the name of the dealership by which it is known to the
3 public through advertising or otherwise, which need not be identical to the name appearing on the
4 dealership's license so long as such name is registered as a fictitious name with the secretary of
5 state, has been approved by its line-make manufacturer in writing in the case of a new motor vehicle
6 franchise dealer and a copy of such fictitious name registration has been provided to the department.
7 Dealers who sell only emergency vehicles as defined in section 301.550 are exempt from
8 maintaining a bona fide place of business, including the related law enforcement certification
9 requirements, and from meeting the minimum yearly sales;

10 (2) The initial application for licensure shall include a photograph, not to exceed eight
11 inches by ten inches but no less than five inches by seven inches, showing the business building, lot,
12 and sign. A new motor vehicle franchise dealer applicant who has purchased a currently licensed
13 new motor vehicle franchised dealership shall be allowed to submit a photograph of the existing
14 dealership building, lot and sign but shall be required to submit a new photograph upon the
15 installation of the new dealership sign as required by sections 301.550 to 301.580. Applicants shall
16 not be required to submit a photograph annually unless the business has moved from its previously
17 licensed location, or unless the name of the business or address has changed, or unless the class of
18 business has changed;

19 (3) Every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a
20 powersport dealer, a wholesale motor vehicle dealer, trailer dealer, or boat dealer shall furnish with
21 the application a corporate surety bond or an irrevocable letter of credit as defined in section 400.5-
22 102, issued by any state or federal financial institution in the penal sum of fifty thousand dollars on
23 a form approved by the department. The bond or irrevocable letter of credit shall be conditioned
24 upon the dealer complying with the provisions of the statutes applicable to new motor vehicle
25 franchise dealers, used motor vehicle dealers, powersport dealers, wholesale motor vehicle dealers,
26 trailer dealers, and boat dealers, and the bond shall be an indemnity for any loss sustained by reason
27 of the acts of the person bonded when such acts constitute grounds for the suspension or revocation
28 of the dealer's license. The bond shall be executed in the name of the state of Missouri for the
29 benefit of all aggrieved parties or the irrevocable letter of credit shall name the state of Missouri as
30 the beneficiary; except, that the aggregate liability of the surety or financial institution to the
31 aggrieved parties shall, in no event, exceed the amount of the bond or irrevocable letter of credit.
32 Additionally, every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a
33 powersport dealer, a wholesale motor vehicle dealer, or boat dealer shall furnish with the application
34 a copy of a current dealer garage policy bearing the policy number and name of the insurer and the
35 insured. The proceeds of the bond or irrevocable letter of credit furnished by an applicant shall be
36 paid upon receipt by the department of a final judgment from a Missouri court of competent
37 jurisdiction against the principal and in favor of an aggrieved party. The proceeds of the bond or
38 irrevocable letter of credit furnished by an applicant shall be paid at the order of the department and
39 in the amount determined by the department to any buyer or interested lienholder up to the greater

1 of the amount required for the release of the purchase money lien or the sales price paid by the
2 buyer where a dealer has failed to fulfill the dealer's obligations under an agreement to assign and
3 deliver title to the buyer within thirty days under a contract entered into pursuant to subsection 5 of
4 section 301.210. The department shall direct release of the bond or irrevocable letter of credit
5 proceeds upon presentation of a written agreement entered into pursuant to subsection 5 of section
6 301.210, copies of the associated sales and finance documents, and the affidavit or affidavits of the
7 buyer or lienholder stating that the certificate of title with assignment thereof has not been passed to
8 the buyer within thirty days of the date of the contract entered into under subsection 5 of section
9 301.210, that the dealer has not fulfilled the agreement under the contract to repurchase the vehicle,
10 that the buyer or the lienholder has notified the dealer of the claim on the bond or letter of credit,
11 and the amount claimed by the purchaser or lienholder. In addition, prior to directing release and
12 payment of the proceeds of a bond or irrevocable letter of credit, the department shall ensure that
13 there is satisfactory evidence to establish that the vehicle which is subject to the written agreement
14 has been returned by the buyer to the dealer or that the buyer has represented to the department that
15 the buyer will surrender possession of the vehicle to the dealer upon payment of the proceeds of the
16 bond or letter of credit directed by the department. Excepting ordinary wear and tear or mechanical
17 failures not caused by the buyer, the amount of proceeds to be paid to the buyer under the bond or
18 irrevocable letter of credit shall be reduced by an amount equivalent to any damage, abuse, or
19 destruction incurred by the vehicle while the vehicle was in the buyer's possession as agreed
20 between the buyer and the dealer. The dealer may apply to a court of competent jurisdiction to
21 contest the claim on the bond or letter of credit, including the amount of the claim and the amount of
22 any adjustment for any damage, abuse, or destruction, by filing a petition with the court within thirty
23 days of the notification by the buyer or lienholder. If the dealer does not fulfill the agreement or file
24 a petition to request judicial relief from the terms of the agreement or contest the amount of the
25 claim, the bond or letter of credit shall be released by the department and directed paid in the
26 amount or amounts presented by the lienholder or buyer;

27 (4) Payment of all necessary license fees as established by the department. In establishing
28 the amount of the annual license fees, the department shall, as near as possible, produce sufficient
29 total income to offset operational expenses of the department relating to the administration of
30 sections 301.550 to 301.580. All fees payable pursuant to the provisions of sections 301.550 to
31 301.580~~], other than those fees collected for the issuance of dealer plates or certificates of number~~
32 ~~collected pursuant to subsection 6 of this section,]~~ shall be collected by the department for deposit in
33 the state treasury to the credit of the "Motor Vehicle Commission Fund", which is hereby created.
34 The motor vehicle commission fund shall be administered by the Missouri department of revenue.
35 The provisions of section 33.080 to the contrary notwithstanding, money in such fund shall not be
36 transferred and placed to the credit of the general revenue fund until the amount in the motor vehicle
37 commission fund at the end of the biennium exceeds two times the amount of the appropriation
38 from such fund for the preceding fiscal year or, if the department requires permit renewal less
39 frequently than yearly, then three times the appropriation from such fund for the preceding fiscal

1 year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the multiple of the appropriation from such fund for the preceding fiscal year.

2
3 2. In the event a new vehicle manufacturer, boat manufacturer, motor vehicle dealer,
4 wholesale motor vehicle dealer, boat dealer, powersport dealer, wholesale motor vehicle auction,
5 trailer dealer, or a public motor vehicle auction submits an application for a license for a new
6 business and the applicant has complied with all the provisions of this section, the department shall
7 make a decision to grant or deny the license to the applicant within eight working hours after receipt
8 of the dealer's application, notwithstanding any rule of the department.

9 3. Except as otherwise provided in subsection 6 of this section, upon the initial issuance of a
10 license by the department, the department shall assign a distinctive dealer license number or
11 certificate of number to the applicant and the department shall issue one number plate or certificate
12 bearing the distinctive dealer license number or certificate of number and two additional number
13 plates or certificates of number within eight working hours after presentment of the application and
14 payment by the applicant of a fee of fifty dollars for the first plate or certificate and ten dollars and
15 fifty cents for each additional plate or certificate. Upon renewal, the department shall issue ~~the~~
16 ~~distinctive dealer license number or certificate of number~~ a renewal tab to be placed on the lower
17 right corner of the plate or certificate as quickly as possible. The fee for the tabs shall be twenty-
18 five dollars for the first tab and six dollars for each additional tab. The issuance of such distinctive
19 dealer license number or certificate of number, and tab or tabs, shall be in lieu of registering each
20 motor vehicle, trailer, vessel or vessel trailer dealt with by a boat dealer, boat manufacturer,
21 manufacturer, public motor vehicle auction, wholesale motor vehicle dealer, wholesale motor
22 vehicle auction or new or used motor vehicle dealer. The license plates described in this section
23 shall be made with fully reflective material with a common color scheme and design, shall be
24 clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.

3 vehicles by a licensed salvage dealer. A used motor vehicle dealer who also holds a salvage dealer's
4 license shall be allowed one additional plate or certificate number per fifty-unit qualified
5 transactions annually. In order for salvage dealers to obtain number plates or certificates under this
6 section, dealers shall submit to the department of revenue on August first of each year a statement
7 certifying, under penalty of perjury, the dealer's number of purchases during the reporting period of
8 July first of the immediately preceding year to June thirtieth of the present year. The provisions of
9 this subsection shall become effective on the date the director of the department of revenue begins to
10 reissue new license plates under section 301.130, or on December 1, 2008, whichever occurs first.
11 If the director of revenue begins reissuing new license plates under the authority granted under
12 section 301.130 prior to December 1, 2008, the director of the department of revenue shall notify the
13 revisor of statutes of such fact.

14 5. Upon the sale of a currently licensed motor vehicle dealership the department shall, upon
15 request, authorize the new approved dealer applicant to retain the selling dealer's license number and
16 shall cause the new dealer's records to indicate such transfer. If the new approved dealer applicant
17 elects not to retain the selling dealer's license number, the department shall issue the new dealer
18 applicant a new dealer's license number and an equal number of plates or certificates as the
19 department had issued to the selling dealer.

20 6. In the case of motor vehicle dealers, the department shall issue one number plate bearing
21 the distinctive dealer license number and may issue one additional number plate to the applicant
22 upon payment by the dealer of a fifty dollar fee for the number plate bearing the distinctive dealer

29 dollar fee for the number plate bearing the distinctive dealer license number and ten dollars and fifty
30 cents for each additional number plate. Boat dealers and boat manufacturers shall be entitled to one
31 certificate of number bearing such number upon the payment of a fifty dollar fee. Additional
32 number plates and as many additional certificates of number may be obtained upon payment of a fee
33 of ten dollars and fifty cents for each additional plate or certificate. New motor vehicle
34 manufacturers shall not be issued or possess more than three hundred forty-seven additional number

8 number. A motor vehicle dealer, trailer dealer, boat dealer, powersport dealer, recreational motor
9 vehicle dealer, motor vehicle manufacturer, boat manufacturer, or wholesale motor vehicle dealer
10 obtaining a distinctive dealer license plate or certificate of number or additional license plate or
11 additional certificate of number, throughout the calendar year, shall be required to pay a fee for such
12 license plates or certificates of number computed on the basis of one-twelfth of the full fee
13 prescribed for the original and duplicate number plates or certificates of number for such dealers'
14 licenses, multiplied by the number of months remaining in the licensing period for which the dealer
15 or manufacturers shall be required to be licensed. In the event of a renewing dealer, the fee due at
16 the time of renewal shall not be prorated. Wholesale and public auctions shall be issued a certificate
17 of dealer registration in lieu of a dealer number plate. In order for dealers to obtain number plates or
18 certificates under this section, dealers shall submit to the department of revenue on August first of
19 each year a statement certifying, under penalty of perjury, the dealer's number of sales during the
20 reporting period of July first of the immediately preceding year to June thirtieth of the present year.

21 7. The plates issued pursuant to subsection 3 or 6 of this section may be displayed on any
22 motor vehicle owned by a new motor vehicle manufacturer. The plates issued pursuant to
23 subsection 3 or 6 of this section may be displayed on any motor vehicle or trailer owned and held
24 for resale by a motor vehicle dealer for use by a customer who is test driving the motor vehicle, for
25 use by any customer while the customer's vehicle is being serviced or repaired by the motor vehicle
26 dealer, for use and display purposes during, but not limited to, parades, private events, charitable
27 events, or for use by an employee or officer, but shall not be displayed on any motor vehicle or
28 trailer hired or loaned to others or upon any regularly used service or wrecker vehicle. Motor

30 under a loaded condition. Trailer dealers may display their dealer license plates in like manner,
31 except such plates may only be displayed on trailers owned and held for resale by the trailer dealer.

32 8. The certificates of number issued pursuant to subsection 3 or 6 of this section may be
33 displayed on any vessel or vessel trailer owned and held for resale by a boat manufacturer or a boat
34 dealer, and used by a customer who is test driving the vessel or vessel trailer, or is used by an
35 employee or officer on a vessel or vessel trailer only, but shall not be displayed on any motor
36 vehicle owned by a boat manufacturer, boat dealer, or trailer dealer, or vessel or vessel trailer hired
37 or loaned to others or upon any regularly used service vessel or vessel trailer. Boat dealers and boat
38 manufacturers may display their certificate of number on a vessel or vessel trailer when transporting
39 a vessel or vessels to an exhibit or show.

1 9. If any law enforcement officer has probable cause to believe that any license plate or
2 certificate of number issued under subsection 3 or 6 of this section is being misused in violation of
3 subsection 7 or 8 of this section, the license plate or certificate of number may be seized and
4 surrendered to the department.

5 10. (1) Every application for the issuance of a used motor vehicle dealer's license shall be
6 accompanied by proof that the applicant, within the last twelve months, has completed an
7 educational seminar course approved by the department as prescribed by subdivision (2) of this
8 subsection. Wholesale and public auto auctions and applicants currently holding a new or used
9 license for a separate dealership shall be exempt from the requirements of this subsection. The
10 provisions of this subsection shall not apply to current new motor vehicle franchise dealers or motor
11 vehicle leasing agencies or applicants for a new motor vehicle franchise or a motor vehicle leasing
12 agency. The provisions of this subsection shall not apply to used motor vehicle dealers who were
13 licensed prior to August 28, 2006.
