12 2. (1) Beginning on March 29, 2013, any contribution to a pregnancy resource center made  
13 on or after January 1, 2013, shall be eligible for tax credits as provided by this section.

14 (2) For all tax years beginning on or after January 1, 2007, and ending on or before  
15 December 31, 2020, a taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax  
16 liability in an amount equal to fifty percent of the amount such taxpayer contributed to a pregnancy  
17 resource center. For all tax years beginning on or after January 1, 2021, a taxpayer shall be allowed  
18 to claim a tax credit against the taxpayer's state tax liability in an amount equal to seventy percent of  
19 the amount such taxpayer contributed to a pregnancy resource center.

20 3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state  
21 tax liability for the tax year for which the credit is claimed, and such taxpayer shall not be allowed  
22 to claim a tax credit in excess of fifty thousand dollars per tax year. However, any tax credit that  
23 cannot be claimed in the tax year the contribution was made may be carried over only to the next  
24 succeeding tax year. No tax credit issued under this section shall be assigned, transferred, or sold.

25 4. Except for any excess credit which is carried over pursuant to subsection 3 of this section,  
26 a taxpayer shall not be allowed to claim a tax credit unless the total amount of such taxpayer's  
27 contribution or contributions to a pregnancy resource center or centers in such taxpayer's tax year  
28 has a value of at least one hundred dollars.

29 5. (1) The director shall determine, at least annually, which facilities in this state may be  
30 classified as pregnancy resource centers. The director may require of a facility seeking to be  
31 classified as a pregnancy resource center whatever information which is reasonably necessary to  
32 make such a determination. The director shall classify a facility as a pregnancy resource center if  
33 such facility meets the definition set forth in subsection 1 of this section.

34 (2) The state auditor shall conduct biannual audits of any facility classified as a pregnancy  
35 resource center receiving contributions to determine if such facility is abiding by the provisions  
36 required under this section to maintain eligibility for contributions under this section. The auditor  
37 shall report its findings to the director as soon as practicable following completion of the audit.

38 (3) Any material violation of the requirements for classification under this section shall be  
39 grounds for declassification under this section. If the director determines that a facility is not in

1 compliance with any requirements for continuing in classification, the director shall, by written  
2 notice, inform the facility that the facility may be declassified in sixty days from the date of mailing  
3 of the notice unless the deficiencies are corrected and the facility is again in compliance with the  
4 requirements for classification as a pregnancy resource center.

5 (4) At the end of the sixty-day grace period, if the facility is still not in compliance, the  
6 director may send a notice of declassification to the facility and notice to cease operations as a  
7 pregnancy resource center. Declassification of a facility shall not trigger recapture of any tax credits  
8 already redeemed by a taxpayer but shall forfeit any credits claimed for the period in the tax year  
9 that declassification arose and for future tax years that the facility did not meet classification  
10 standards to qualify under this section. A final notice of declassification under this section is subject  
11 to administrative review in accordance with chapter 621.

12 (5) The treasurer and the department of social services may request and review any  
13 documents or other information necessary to comply with this subsection and may promulgate any  
14 additional rules in order to effectuate the provisions of this subsection.

15 6. The director shall establish a procedure by which a taxpayer can determine if a facility  
16 has been classified as a pregnancy resource center. Pregnancy resource centers shall be permitted to  
17 decline a contribution from a taxpayer. The cumulative amount of tax credits which may be claimed  
18 by all the taxpayers contributing to pregnancy resource centers in any one fiscal year shall not  
19 exceed two million dollars for all fiscal years ending on or before June 30, 2014, and two million  
20 five hundred thousand dollars for all fiscal years beginning on or after July 1, 2014, and ending on  
21 or before June 30, 2019, and three million five hundred thousand dollars for all fiscal years  
22 beginning on or after July 1, 2019, and ending on or before June 30, 2021. For all fiscal years  
23 beginning on or after July 1, 2021, there shall be no limit imposed on the cumulative amount of tax  
24 credits that may be claimed by all taxpayers contributing to pregnancy resource centers under the  
25 provisions of this section. Tax credits shall be issued in the order contributions are received. If the  
26 amount of tax credits redeemed in a fiscal year is less than the cumulative amount authorized under  
27 this subsection, the difference shall be carried over to a subsequent fiscal year or years and shall be  
28 added to the cumulative amount of tax credits that may be authorized in that fiscal year or years.

29 7. For all fiscal years ending on or before June 30, 2021, the director shall establish a  
30 procedure by which, from the beginning of the fiscal year until some point in time later in the fiscal  
31 year to be determined by the director, the cumulative amount of tax credits are equally apportioned  
32 among all facilities classified as pregnancy resource centers. If a pregnancy resource center fails to  
33 use all, or some percentage to be determined by the director, of its apportioned tax credits during  
34 this predetermined period of time, the director may reapportion these unused tax credits to those  
35 pregnancy resource centers that have used all, or some percentage to be determined by the director,  
36 of their apportioned tax credits during this predetermined period of time. The director may establish  
37 more than one period of time and reapportion more than once during each fiscal year. To the  
38 maximum extent possible, the director shall establish the procedure described in this subsection in

1 such a manner as to ensure that taxpayers can claim all the tax credits possible up to the cumulative  
2 amount of tax credits available for the fiscal year.

3         8. Each pregnancy resource center shall provide information to the director concerning the  
4 identity of each taxpayer making a contribution to the pregnancy resource center who is claiming a  
5 tax credit pursuant to this section and the amount of the contribution. The director shall provide the  
6 information to the director of revenue. The director shall be subject to the confidentiality and  
7 penalty provisions of section 32.057 relating to the disclosure of tax information.

8         9. The provisions of section 23.253 shall not apply to this section."; and

9  
10 Further amend said bill by amending the title, enacting clause, and intersectional references  
11 accordingly.
