36 passengers in the licensee's vehicle wear safety belts at all times. This safety belt restriction shall
37 not apply to a person operating a motorcycle. For the first six months after issuance of the
38 intermediate driver's license, the holder of the license shall not operate a motor vehicle with more

22 pursuant to this chapter granting full driving privileges. Such person shall pay the required fee for
23 such license as prescribed in section 302.177.

31 person has had no traffic convictions for which points are assessed for a period of twelve months
32 prior to the date of application for license or until the person is eligible to apply for a six-year
33 driver's license as provided for in section 302.177, provided the applicant is otherwise eligible for
34 full driving privileges. An intermediate driver's license shall expire when the licensee is eligible and
35 receives a full driver's license as prescribed in subdivision (1) of this section.

36 7. No person upon reaching the age of eighteen years whose intermediate driver's license
37 and driving privilege is denied, suspended, cancelled or revoked in this state or any other state for
38 any reason may apply for a full driver's license until such license or driving privilege is fully
39 reinstated. Any such person whose intermediate driver's license has been revoked pursuant to the

1 provisions of sections 302.010 to 302.540 shall, upon receipt of reinstatement of the revocation from
2 the director, pass the complete driver examination, apply for a new license, and pay the proper fee
3 before again operating a motor vehicle upon the highways of this state.

4 8. A person shall be exempt from the intermediate licensing requirements if the person has
5 reached the age of eighteen years and meets all other licensing requirements.

6 9. Any person who violates any of the provisions of this section relating to intermediate
7 drivers' licenses or the provisions of section 302.130 relating to temporary instruction permits is
8 guilty of an infraction, and no points shall be assessed to his or her driving record for any such
9 violation.

16 U.S.C. Section 11432(g)(1)(J)(ii), or a school social worker or counselor; or

17 (3) A licensed attorney representing the minor in any legal matter.

18 11. Any rule or portion of a rule, as that term is defined in section 536.010, that is created
19 under the authority delegated in this section shall become effective only if it complies with and is
20 subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
21 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to
22 chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently
23 held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after
24 August 28, 2000, shall be invalid and void.

25 302.181. 1. The license issued pursuant to the provisions of sections 302.010 to 302.340

27 other comparable material. All licenses shall be manufactured of materials and processes that will
28 prohibit, as nearly as possible, the ability to reproduce, alter, counterfeit, forge, or duplicate any
29 license without ready detection. The license shall also bear the expiration date of the license, the
30 classification of the license, the name, date of birth, residence address including the county of
31 residence or a code number corresponding to such county established by the department, and brief
32 description and colored digitized image of the licensee, and a facsimile of the signature of the

34 indicate on the back of the license together with the designation for an anatomical gift as provided in
35 section 194.240 the name and address of the person designated pursuant to sections 404.800 to
36 404.865 as the licensee's attorney in fact for the purposes of a durable power of attorney for health
37 care decisions. No license shall be valid until it has been so signed by the licensee. If any portion
38 of the license is prepared by a private firm, any contract with such firm shall be made in accordance

1 with the competitive purchasing procedures as established by the state director of the division of
2 purchasing.

3 2. All digital images produced for licenses shall become the property of the department of
4 revenue.

5 3. The license issued shall be carried at all times by the holder thereof while driving a motor
6 vehicle, and shall be displayed upon demand of any officer of the highway patrol, or any police
7 officer or peace officer, or any other duly authorized person, for inspection when demand is made
8 therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any duly
9 authorized officer shall be presumptive evidence that such person is not a duly licensed operator.

10 4. The director of revenue shall not issue a license without a facial digital image of the
11 license applicant, except as provided pursuant to subsection 7 of this section. A digital image of the
12 applicant's full facial features shall be taken in a manner prescribed by the director. No digital
13 image shall be taken wearing anything which cloaks the facial features of the individual.

14 5. The department of revenue may issue a temporary license or a full license without the
15 photograph or with the last photograph or digital image in the department's records to members of
16 the Armed Forces, except that where such temporary license is issued it shall be valid only until the
17 applicant shall have had time to appear and have his or her picture taken and a license with his or
18 her photograph issued.

19 6. The department of revenue shall issue upon request a nondriver's license card containing
20 essentially the same information and photograph or digital image, except as provided pursuant to
21 subsection 7 of this section, as the driver's license upon payment of six dollars. All nondriver's
22 licenses shall expire on the applicant's birthday in the sixth year after issuance. A person who has
23 passed his or her seventieth birthday shall upon application be issued a nonexpiring nondriver's
24 license card. Notwithstanding any other provision of this chapter, a nondriver's license containing a
25 concealed carry endorsement shall expire three years from the date the certificate of qualification
26 was issued pursuant to section 571.101, as section 571.101 existed prior to August 28, 2013. The
27 fee for nondriver's licenses issued for a period exceeding three years is six dollars or three dollars
28 for nondriver's licenses issued for a period of three years or less. The nondriver's license card shall
29 be used for identification purposes only and shall not be valid as a license. No fee shall be required
30 or collected from a homeless child or homeless youth, as defined in subsection 1 of section 167.020,
31 or unaccompanied youth, as defined in 42 U.S.C. Section 11434a(6), for a first nondriver's license
32 card issued under this subsection. Such person's status as a homeless child or youth or

38 (3) A licensed attorney representing the minor in any legal matter.

1 7. If otherwise eligible, an applicant may receive a driver's license or nondriver's license
2 without a photograph or digital image of the applicant's full facial features except that such

4 on such license. In order to qualify for a license without a photograph or digital image pursuant to
5 this section the applicant must:

6 (1) Present a form provided by the department of revenue requesting the applicant's
7 photograph be omitted from the license or nondriver's license due to religious affiliations. The form
8 shall be signed by the applicant and another member of the religious tenant verifying the photograph
9 or digital image exemption on the license or nondriver's license is required as part of their religious
10 affiliation. The required signatures on the prescribed form shall be properly notarized;

11 (2) Provide satisfactory proof to the director that the applicant has been a United States
12 citizen for at least five years and a resident of this state for at least one year, except that an applicant
13 moving to this state possessing a valid driver's license from another state without a photograph shall
14 be exempt from the one-year state residency requirement. The director may establish rules
15 necessary to determine satisfactory proof of citizenship and residency pursuant to this section;

16 (3) Applications for a driver's license or nondriver's license without a photograph or digital
17 image must be made in person at a license office determined by the director. The director is
18 authorized to limit the number of offices that may issue a driver's or nondriver's license without a
19 photograph or digital image pursuant to this section.

20 8. The department of revenue shall make available, at one or more locations within the state,
21 an opportunity for individuals to have their full facial photograph taken by an employee of the
22 department of revenue, or their designee, who is of the same sex as the individual being
23 photographed, in a segregated location.

24 9. Beginning July 1, 2005, the director shall not issue a driver's license or a nondriver's
25 license for a period that exceeds an applicant's lawful presence in the United States. The director
26 may, by rule or regulation, establish procedures to verify the lawful presence of the applicant and
27 establish the duration of any driver's license or nondriver's license issued under this section.

28 10. (1) Notwithstanding any biometric data restrictions contained in section 302.170, the
29 department of revenue is hereby authorized to design and implement a secure digital driver's license
30 program that allows applicants applying for a driver's license in accordance with this chapter to
31 obtain a secure digital driver's license in addition to the physical card-based license specified in this
32 section.

33 (2) A digital driver's license as described in this subsection shall be accepted for all
34 purposes for which a license, as defined in section 302.010, is used.

35 (3) The department may contract with one or more entities to develop the secure digital
36 driver's license system. The department or entity may develop a mobile software application
37 capable of being utilized through a person's electronic device to access the person's secure digital
38 driver's license.

1 (4) The department shall suspend, disable, or terminate a person's participation in the secure
2 digital driver's license program if:

3 (a) The person's driving privilege is suspended, revoked, denied, withdrawn, or cancelled as
4 provided in this chapter; or

5 (b) The person reports that the person's electronic device has been lost, stolen, or

8 implementation of this section. Any rule or portion of a rule, as that term is defined in section
9 536.010 that is created under the authority delegated in this section shall become effective only if it
10 complies with and is subject to all of the provisions of chapter 536 and, if applicable, section
11 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the
12 general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and
13 annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any
14 rule proposed or adopted after August 28, 2020, shall be invalid and void."; and
