1 AMEND House Committee Substitute for House Bill No. 2153, Page 1, Section A, Line 2, by  
2 inserting after all of said section and line the following:

3  
4 "256.410. 1. No major water user shall withdraw or divert water from any water source  
5 without filing an official registration document with the division. The registration document shall  
6 set forth:

7 (1) The name and mailing address of the applicant;

8 (2) The name, if any, and location of the water source;

9 (3) The type of water source (such as well, lake or stream);

10 (4) The point in the water source from which it is proposed to withdraw or divert the water;

11 (5) The name, location, and acreage of the lands or other application to which such water is  
12 to be diverted;

13 (6) The location and description of the water well, canal, tunnel or pipes and other works or  
14 equipment through which the water is to be withdrawn or diverted;

15 (7) The amount in gallons of water withdrawn or diverted on an average day of operation,  
16 and the number of days and the months during the preceding year, when water was diverted;

17 (8) The total amount in gallons withdrawn or diverted during the preceding year, and the  
18 periods of time when such diversion is scheduled during the current year.

19  
20 The foregoing requirements of this subsection shall not apply to water being pumped from mines  
21 and quarries and such water user shall only be required to set forth the quantity pumped from the  
22 mine and quarry at each point where it is pumped to the point to discharge and only the name of the  
23 stream into which any of the discharge is permitted to flow.

24 2. Withdrawal or diversion of water by major users may continue during the first calendar  
25 year after September 28, 1983, or after the initial date of their operation, at which time a registration  
26 document must be filed. The filing period shall extend from January first through March thirty-first.  
27 Withdrawal or diversion may continue during the filing period. Location data shall be given in  
28 terms of section, township and range.

29 3. Except as provided in this subsection, all information obtained by the Missouri geological  
30 survey from the filed registration document shall remain confidential and shall not be released by

Action Taken \_\_\_\_\_ Date \_\_\_\_\_

1 the Missouri geological survey to the public or disclosed in response to any request, including a  
2 records request under chapter 610. However, the Missouri geological survey may disclose in the  
3 aggregate for each county the number of major water users and the amount of water used.  
4 Additionally, the Missouri geological survey may disclose information obtained from the document  
5 in response to a subpoena or a court order, but in doing so the Missouri geological survey shall not  
6 disclose more information than is necessary to comply with the subpoena or order. Any employee  
7 of the Missouri geological survey who purposely or knowingly discloses confidential information in  
8 violation of this subsection shall be subject to disciplinary action by the Missouri geological survey  
9 and is guilty of a class A misdemeanor. This subsection shall only apply to information obtained  
10 from major water users with respect to water withdrawn or diverted for use on agricultural land, as  
11 defined in section 350.010, within the state."; and
