FISCAL ANALYSIS

ASSUMPTION

§542.525 – Surveillance or Cameras on Private Property

Officials from the **Attorney General’s Office**, the **Office of Administration (Administrative Hearing Commission & Budget and Planning)**, the **Department of Commerce and Insurance**, the **Department of Economic Development**, the **Department of Elementary and Secondary Education**, the **Department of Higher Education and Workforce Development**, the **Department of Health and Senior Services**, the **Department of Mental Health**, the **Department of Natural Resources**, the **Department of Corrections**, the **Department of Labor and Industrial Relations**, the **Department of Revenue**, the **Department of Public Safety (Division of Alcohol and Tobacco Control, Capitol Police, Fire Safety, Office of the Director, Missouri Gaming Commission, Missouri Highway Patrol, Missouri Veterans Commission, State Emergency Management Agency)**, the **Department of Social Services**, the **Office of the Governor**, the **Missouri Department of Agriculture**, the **Missouri Department of Conservation**, the **Missouri Ethics Commission**, the **Missouri Department of Transportation**, the **Missouri National Guard**, the **MoDOT & Patrol Employees’ Retirement System**, the **Office of Administration**, the **Petroleum Storage Tank Insurance Fund**, the **Office of the State Public Defender**, the **Office of the State Treasurer**, the **University of Missouri System**, the **Office of the Lieutenant Governor**, the **Office of the State Auditor**, the **Missouri House of Representatives**, the **Joint Committee on Administrative Rules**, the **Joint Committee on Education**, the **Joint Committee on Public Employee Retirement**, the **Missouri Higher Education Loan Authority**, the **Missouri Office of Prosecution Services**, **Legislative Research**, the **Oversight Division**, the **Missouri Senate**, the **Missouri Lottery Commission**, the **Missouri Consolidated Health Care Plan**, the **Missouri State Employee's Retirement System**, the **Office of the State Courts Administrator**, the **State Tax Commission**, the **City of Kansas City**, the **City of Springfield**, the **City of Urich**, the **Phelps County Sheriff’s Office**, the **Branson Police Department**, the **Kansas City Police Department** and the **St. Louis County Police Department** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding

for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.
