## FISCAL ANALYSIS

### ASSUMPTION

#### Section 324.004.1

Officials from the **Department of Health and Senior Services (DHSS)** notes that this legislation states “Any person who has at least three years of work experience in an occupation or profession in another state, the District of Columbia, or any combination of such jurisdictions, and whose work experience involved the practice of an occupation or profession for which a license is not required in the jurisdiction or jurisdictions in which the person worked but is required in this state, may submit an application for a one-time nonrenewable two-year temporary license in this state in the occupation or profession, along with proof of at least three years of work experience in the occupation or profession and a fee as set by regulation of the oversight body, to the relevant oversight body in this state. The oversight body shall make a determination of qualification within forty-five days of receiving a completed application. As used in this section, "oversight body" shall mean any board, department, agency, or office of a jurisdiction that issues licenses.”

The Board of Nursing Home Administrators (BNHA) currently has a temporary license process outlined in Chapter 344, RSMo and 19 CSR 73-2.080. Passage of this bill would require revisions to the statute and rules. It is assumed it will take BNHA’s Principal Assistant Board and Commission (annual salary of \$62,238) approximately 1,040 hours to make the required changes. Based on 2,080 working hours per year, this would require 0.50 FTE to assume these duties (1,040 hours divided by 2,080 hours per year) for a total personal service cost of \$31,119 (\$62,238 times 0.50 FTE).

It is assumed that DHSS can absorb the costs of this bill with current resources. However, if the workload significantly increased or other legislation was enacted, additional resources would be requested through the appropriation process.

**Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

Officials from the **Department of Commerce and Insurance**, the **Department of Natural Resources**, the **Department of Revenue**, the **Department of Public Safety - Missouri Highway Patrol** and **Missouri Gaming Commission**, the **Missouri Department of Agriculture**, the **Missouri Department of Transportation** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

<u>FISCAL IMPACT – State Government</u>	FY 2025 (10 Mo.)	FY 2026	FY 2027
