FISCAL ANALYSIS

ASSUMPTION

§§41.890 and 173.1153 – Military personnel eligible for in-state tuition

Officials from **Northwest Missouri State University (NWMSU)** assume the proposal will have no fiscal impact to their organization unless the State does not reimburse for tuition and fees (e.g. Returning Heroes Program).

Officials from the **University of Central Missouri (UCM)** assume the proposal will have no fiscal impact on their organization as UCM already provides in-state rates for all services members, veterans, and their dependents for undergraduate and graduate programs.

Officials from the **Department of Higher Education and Workforce Development**, the **Missouri National Guard** and the **University of Missouri System** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Due to the limited number of responses received from colleges and universities, **Oversight** assumes Colleges and Universities may experience a reduction in tuition and fees received from military personnel and relatives and will reflect a potential (\$0 or) negative unknown fiscal impact for College and University Funds. Oversight has no information on the number of military personnel or their family members that take advantage of this benefit, or if any of them are paying out of state tuition for undergraduate or graduate degree programs. Oversight assumes this proposal clarifies that the benefit applies to both undergraduate and graduate degree programs. For fiscal note purposes, Oversight assumes if some colleges are not applying the benefit to both, there could be a reduction in tuition revenue to colleges and universities with the passage of this proposal; however, Oversight assumes any decrease in tuition and fees would not reach the \$250,000 threshold per year.

ESTIMATED NET EFFECT ON COLLEGES & UNIVERSITY FUNDS	\$0 or (Unknown)	\$0 or (Unknown)	\$0 or (Unknown)

<u>FISCAL IMPACT – Local Government</u>	FY 2025 (10 Mo.)	FY 2026	FY 2027

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This bill clarifies that specified military service personnel, their spouses, and their unemancipated children under 24, individuals serving in the Missouri National Guard, and any individuals serving in a reserve component of the Armed Forces of the United States, be considered Missouri residents for the purposes of any undergraduate or graduate degree program in Missouri institutions of higher education.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
