FISCAL ANALYSIS

ASSUMPTION

§565.184 – Offense of abuse

Officials from the **Department of Corrections (DOC)** state this proposal modifies the offense of abuse of an elderly person, a person with a disability, or a vulnerable person.

Section 565.184 adds a new class E felony for a person who is a care provider and commits the offense of abuse of an elderly person, abuse of a person with disability or abuse of a vulnerable person.

For each new nonviolent class E felony, the department estimates one person could be sentenced to prison and two to probation. The average sentence for a nonviolent class E felony offense is 3.4 years, of which 2.1 years will be served in prison with 1.4 years to first release. The remaining 1.3 years will be on parole. Probation sentences will be 3 years.

The cumulative impact on the department is estimated to be 2 additional offenders in prison and 7 additional offenders on field supervision by FY 2027.

If this impact statement has changed from statements submitted in previous years, it could be due to an increase/decrease in the number of offenders, a change in the cost per day for institutional offenders, and/or an increase in staff salaries.

If the projected impact of legislation is less than 1,500 offenders added to or subtracted from the department's institutional caseload, the marginal cost of incarceration will be utilized. This cost of incarceration is \$26.545 per day or an annual cost of \$9,689 per offender and includes such costs as medical, food, and operational E&E. However, if the projected impact of legislation is 1,500 or more offenders added or removed to the department's institutional caseload, the full cost of incarceration will be used, which includes fixed costs. This cost is \$99.90 per day or an annual cost of \$36,464 per offender and includes personal services, all institutional E&E, medical and mental health, fringe, and miscellaneous expenses. None of these costs include construction to increase institutional capacity.

DOC's cost of probation or parole is determined by the number of P&P Officer II positions that are needed to cover its caseload. The DOC average district caseload across the state is 51 offender cases per officer. An increase/decrease of 51 cases would result in a cost/cost avoidance equal to the salary, fringe, and equipment and expenses of one P&P Officer II. Increases/decreases smaller than 51 offender cases are assumed to be absorbable.

In instances where the proposed legislation would only affect a specific caseload, such as sex offenders, the DOC will use the average caseload figure for that specific type of offender to calculate cost increases/decreases.

Oversight does not have any information contrary to that provided by DOC. Therefore, Oversight will reflect DOC's impact for fiscal note purposes.

Officials from the **Office of Attorney General (AGO)** assume any additional litigation costs arising from this proposal can be absorbed with existing personnel and resources. However, the AGO may seek additional appropriations if there is a significant increase in litigation.

Oversight does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Department of Health and Senior Services**, the **Department of Mental Health**, the **Department of Public Safety - Missouri Highway Patrol**, the **Department of Social Services**, the **Missouri Office of Prosecution Services**, the **Office of the State Courts Administrator**, and the **Office of the State Public Defender** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

FISCAL DESCRIPTION

This bill specifies that, if a person is a care provider and such person knowingly acts or knowingly fails to act in a manner that results in a substantial risk to the life, body, or health of an elderly person, a person with a disability, or a vulnerable person, the offense of abuse of an elderly person, a person with a disability, or a vulnerable person is a class E felony.
