FISCAL ANALYSIS

ASSUMPTION

§42.022 – Missouri Veterans Commission

Officials from the **Department of Mental Health**, the **Department of Public Safety – Director’s Office** and the **Missouri Veterans Commission (MVC)**, the **Missouri National Guard**, the **Missouri House of Representatives**, and the **Missouri Senate** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight notes per the MVC, in the FY 2024 budget, MVC requested and received an appropriation of \$120,000 (\$80,000 PS; \$40,000 E&E) for a prevention coordinator and the operation of a Veteran Suicide Awareness program. This was a new program within MVC, designed to oversee the statewide policy development, implementation, and operation of Veteran Suicide prevention, awareness, and education. The program includes coordinating with the Department of Veterans Affairs (VA), state agencies and community programs to ensure the stakeholders have access to timely, quality services. The FTE will administer national grants and represent the MVC as a subject matter expert on a national platform to inform program policy. The program will utilize data analysis to develop strategies to decrease Veteran suicide in this state.

Per discussion with MVC officials, it is assumed the funding for the program authorized last year will cover any fiscal impact the provisions of this proposal may have on the MVC. Therefore, Oversight will not reflect an additional fiscal impact from this proposal.

Rule Promulgation

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

<u>FISCAL IMPACT – State Government</u>	FY 2025 (10 Mo.)	FY 2026	FY 2027
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT – Local Government</u>	FY 2025 (10 Mo.)	FY 2026	FY 2027
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
