FISCAL ANALYSIS

ASSUMPTION

§205.165 – Investment of Moneys of County Hospitals

Officials from the **Department of Health and Senior Services** and the **University of Missouri System** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight notes this proposal removes the requirement that the hospital be located in Boone County and provides that §205.165 applies if the hospital receives less than 1% of its annual revenue from county or state taxes. The proposal also removes the percentage restriction for investment purposes and deletes language relating to a mutual fund in the form of an investment company. Oversight notes it would be up to the discretion of the board of trustees of the hospital to decide how funds are invested and will, therefore, assume no direct fiscal impact.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other hospitals were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

<u>FISCAL IMPACT – State Government</u>	FY 2025 (10 Mo.)	FY 2026	FY 2027

<u>FISCAL IMPACT – Local Government</u>	FY 2025 (10 Mo.)	FY 2026	FY 2027

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.
