## FISCAL ANALYSIS

### ASSUMPTION

In response to a similar proposal from 2023 (HB 730), officials from the **Attorney General’s Office** and **Office of the State Courts Administrator** each assumed the proposal would have no fiscal impact on their respective organizations.

**Oversight** notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials from the **City of Kansas City** assume this proposal could have a negative fiscal impact because the moratorium on evictions helps prevent a potential increase in homelessness that ends up costing the city in homeless services.

**Oversight** is unable to determine any direct fiscal impact to the City of Kansas City; therefore, Oversight will not reflect a fiscal impact.

Officials from **Jackson County** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

In response to a similar proposal from 2023 (HB 730), officials from the **City of O’Fallon**, the **City of Jefferson** and the **City of Springfield** each assumed the proposal would have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, other local political subdivisions were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
