FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Courts Administrator** and the **Department of Social Services** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight notes some states won't allow a divorce to be finalized until the baby is born. These states include California, Texas, Florida and Mississippi. However, states like New York, Illinois, Pennsylvania, Ohio, Washington and Massachusetts allow the judge to finalize the divorce before the baby arrival.
