FISCAL ANALYSIS

ASSUMPTION

§79.235 – Residency Requirements of a City of the Fourth Classification

Officials from the **Department of Commerce and Insurance**, the **Missouri Ethics Commission** and the **Office of the Secretary of State** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight notes this proposal allows the mayor of a 4th class city with no more than 2,000 inhabitants to appoint a member to a local board or commission if the prospective appointee owns real property, a business in the city or manages a municipal utility of the city. Oversight assumes the proposal will not have a direct fiscal impact.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, several 4th class cities were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

FISCAL IMPACT – Small Business

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
