**FISCAL ANALYSIS**

**ASSUMPTION**

**§79.235 – Residency Requirements of a City of the Fourth Classification**

Officials from the **Department of Commerce and Insurance**, the **Missouri Ethics Commission** and the **Office of the Secretary of State** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** notes this proposal allows the mayor of a 4<sup>th</sup> class city to appoint a member to a local board or commission if the prospective appointee owns real property or a business in the city. Oversight assumes the proposal will not have a direct fiscal impact.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other cities were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.
