FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Commerce and Insurance, Department of Elementary and Secondary Education, Department of Higher Education and Workforce Development, Department of Health and Senior Services, Department of Mental Health, Department of Natural Resources, Department of Labor and Industrial Relations, Department of Corrections, Department of Social Services, Missouri Department of Agriculture, Missouri Department of Transportation, Department of Public Safety (Capitol Police, Fire Safety, Director's Office, Gaming Commission, Veterans' Commission, State Emergency Management Agency, Missouri Highway Patrol), Missouri National Guard, MoDOT & Patrol Employees' Retirement System, Office of the State Public Defender, Joint Committee on Public Employee Retirement, Missouri Senate, Missouri House of Representatives, Legislative Research, Oversight Division, Missouri Lottery, Missouri Consolidated Health Care Plan, State Tax Commission, Office of the State Treasurer, Missouri Office of Prosecution Services, Missouri State Employee's Retirement System, Office of the State Auditor, and Office of the State Courts Administrator** each assume the proposal will have no fiscal impact on their respective organizations.

In response to a previous version, officials from the **Office of the Governor, Department of Conservation** and the **Office of Administration - Budget and Planning** each assumed the proposal would have no fiscal impact on their respective agencies.

Officials from the **Department of Revenue (DOR)** note that several old and expired tax credits are in this proposal. The Alternative Fuel, Charcoal Producers, Distressed Area Land Assemblage, Dry Fire Hydrant, Enterprise Zone, Guarantee Fee, Manufacturing Jobs, New Markets, and Transportation Development tax credits. DOR notes that these credits have all expired and any carry forward on the programs have also expired. There is no fiscal impact expected from the repeal of these provisions.

DOR notes that the remaining sections of this bill will not fiscally impact DOR.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Rule Promulgation

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

FISCAL IMPACT – Small Business
