Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation from the current session (HB 1578), officials from the **University of Missouri** and the **University of Central Missouri** each assumed the proposal would have no fiscal impact on their respective organizations.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other colleges and universities were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
