**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Office of the Secretary of State (SOS)** noted their only response to the legislation is that many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Officials from the **Department of Corrections, the Missouri Highway Patrol, the Office of the State Public Defender, the Missouri Office of Prosecution Services, the Office of the State Courts Administrator, the Missouri House of Representatives, the Missouri State Senate and the Joint Committee on Administrative Rules** each assume the proposal will have no fiscal impact on their respective organizations for this proposal.

**Oversight** notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.
