Officials from the **Attorney General’s Office (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

Officials from the **Department of Corrections (DOC)** state they generally don’t receive many offenders who have committed an offense that are under 18 years old. Therefore, DOC anticipates minimal to no impact.

Officials from the **Office of the State Courts Administrator, the Department of Social Services, the Department of Mental Health, the Missouri Highway Patrol, the Office of the State Public Defender, the Missouri Office of Prosecution Services, Kansas City, the Phelps County Sheriff’s Office, the Branson Police Department, the Kansas City Police Department** and the **St. Louis County Police Department** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other cities, counties and local law enforcement agencies were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
