FISCAL ANALYSIS

ASSUMPTION

Officials from **Missouri Department of Transportation (MoDOT)** state this bill is estimated to have a negative impact on the State Road Fund of \$4,000 for each of the 19 memorial designations funded by MoDOT, for a total of \$76,000 (19 x \$4,000). This would be a one-time expense as the language requires MoDOT to fund these designations with no costs for sign fabrication and installation recouped through participation fees. The estimated cost is \$2,000 per sign, with 2 total signs for each designation.

There are three memorial designations in this legislation that will be funded by private donation and would have no impact to the State Road Fund.

Oversight has no information to the contrary. Therefore, Oversight will present the fiscal impact of this proposal as provided by MoDOT.
