2. Any person, venue, or entity who pays compensation to a nonresident entertainer shall deduct and withhold from such compensation as a prepayment of tax an amount equal to two percent of the total compensation if the amount of compensation is in excess of three hundred dollars paid to the nonresident entertainer. For purposes of this section, the term "person, venue, or entity who pays compensation" shall not be construed to include any person, venue, or entity that is exempt from taxation under 26 U.S.C. Section 501(c)(3), as amended, and that pays an amount to the nonresident entertainer for the entertainer's appearance but receives no benefit from the entertainer's appearance other than the entertainer's performance.

3. Any person, venue, or entity required to deduct and withhold tax pursuant to subsection 2 of this section shall, for each calendar quarter, on or before the last day of the month following the close of such calendar quarter, remit the taxes withheld in such form or return as prescribed by the director of revenue and pay over to the director of revenue or to a depository designated by the director of revenue the taxes so required to be deducted and withheld.

4. Any person, venue, or entity subject to this section shall be considered an employer for purposes of section 143.191, and shall be subject to all penalties, interest, and additions to tax provided in this chapter for failure to comply with this section.

5. Notwithstanding other provisions of this chapter to the contrary, the commissioner of administration, for all taxable years beginning on or after January 1, 1999, but none after December 31, 2030, shall annually estimate the amount of state income tax revenues collected pursuant to this chapter which are received from nonresident members of professional athletic teams and nonresident entertainers. For fiscal year 2000, and for each subsequent fiscal year for a period of thirty-one years, sixty percent of the annual estimate of taxes generated from the nonresident entertainer and professional athletic team income tax shall be allocated annually to the Missouri arts council trust fund, and shall be transferred, subject to appropriations, from the general revenue fund to the Missouri arts council trust fund established in section 185.100 and any amount transferred shall be in addition to such agency's budget base for each fiscal year. The director shall by rule establish the method of
determining the portion of personal service income of such persons that is allocable to
Missouri.

6. Notwithstanding the provisions of sections 186.050 to 186.067 to the contrary, the
commissioner of administration, for all taxable years beginning on or after January 1, 1999,
but for none after December 31, 2030, shall estimate annually the amount of state income tax
revenues collected pursuant to this chapter which are received from nonresident members of

transferred, subject to appropriations, from the general revenue fund to the Missouri
humanities council trust fund established in section 186.055 and any amount transferred shall
be in addition to such agency's budget base for each fiscal year.

7. Notwithstanding other provisions of section 182.812 to the contrary, the
commissioner of administration, for all taxable years beginning on or after January 1, 1999,
but for none after December 31, 2030, shall estimate annually the amount of state income tax
revenues collected pursuant to this chapter which are received from nonresident members of
professional athletic teams and nonresident entertainers. For fiscal year 2000, and for each
subsequent fiscal year for a period of thirty-one years, ten percent of the annual estimate of
taxes generated from the nonresident entertainer and professional athletic team income tax
shall be allocated annually to the Missouri state library networking fund, and shall be
transferred, subject to appropriations, from the general revenue fund to the secretary of state
for distribution to public libraries for acquisition of library materials and maintenance and
repair of library facilities as established in section 182.812 and any amount transferred shall
be in addition to such agency's budget base for each fiscal year.

8. Notwithstanding other provisions of section 185.200 to the contrary, the
commissioner of administration, for all taxable years beginning on or after January 1, 1999,
but for none after December 31, 2030, shall estimate annually the amount of state income tax
revenues collected pursuant to this chapter which are received from nonresident members of
professional athletic teams and nonresident entertainers. For fiscal year 2000, and for each
subsequent fiscal year for a period of thirty-one years, ten percent of the annual estimate of

shall be allocated annually to the Missouri public television broadcasting corporation special
fund, and shall be transferred, subject to appropriations, from the general revenue fund to the
Missouri public television broadcasting corporation special fund, and any amount transferred
shall be in addition to such agency's budget base for each fiscal year; provided, however, that
twenty-five percent of such allocation shall be used for grants to public radio stations which
were qualified by the corporation for public broadcasting as of November 1, 1996. Such grants shall be distributed to each of such public radio stations in this state after receipt of the station's certification of operating and programming expenses for the prior fiscal year. Certification shall consist of the most recent fiscal year financial statement submitted by a station to the corporation for public broadcasting. The grants shall be divided into two categories, an annual basic service grant and an operating grant. The basic service grant shall be equal to thirty-five percent of the total amount and shall be divided equally among the public radio stations receiving grants. The remaining amount shall be distributed as an operating grant to the stations on the basis of the proportion that the total operating expenses of the individual station in the prior fiscal year bears to the aggregate total of operating expenses for the same fiscal year for all Missouri public radio stations which are receiving grants.

9. Notwithstanding other provisions of section 253.402 to the contrary, the commissioner of administration, for all taxable years beginning on or after January 1, 1999, but for none after December 31, 2030, shall estimate annually the amount of state income tax revenues collected pursuant to this chapter which are received from nonresident members of professional athletic teams and nonresident entertainers. 10. This section shall not be construed to apply to any person who makes a presentation for professional or technical education purposes or to apply to any presentation that is part of a seminar, conference, convention, school, or similar program format designed to provide professional or technical education.

181.060. 1. The general assembly may appropriate moneys for state aid to public libraries, which moneys shall be administered by the state librarian, and distributed as specified in rules and regulations promulgated by the Missouri state library, and approved by the secretary of state.

2. At least fifty percent of the moneys appropriated for state aid to public libraries shall be apportioned to all public libraries established and maintained under the provisions of the library laws or other laws of the state relating to libraries. The allocation of the moneys shall be based on an equal per capita rate for the population of each city, village, town, township, urban public library district, county or consolidated library district in which any
library is or may be established, in proportion to the population according to the latest federal
census of the cities, villages, towns, townships, school districts, county or regional library
districts maintaining public libraries primarily supported by public funds which are designed
to serve the general public. No grant shall be made to any public library which is tax
supported if the rate of tax levied or the appropriation for the library should be decreased
below the rate in force on December 31, 1946, or on the date of its establishment. Grants
shall be made to any public library if a public library tax of at least ten cents per one hundred
dollars assessed valuation has been voted in accordance with sections 182.010 to 182.460 or
as authorized in section 137.030 and is duly assessed and levied for the year preceding that in
which the grant is made, or if the appropriation for the public library in any city of first class
yields one dollar or more per capita for the previous year according to the population of the
latest federal census or if the amount provided by the city for the public library, in any other
city in which the library is not supported by a library tax, is at least equal to the amount of
revenue which would be realized by a tax of ten cents per one hundred dollars assessed
valuation if the library had been tax supported. Except that, no grant under this section shall
be affected because of a reduction in the rate of levy which is required by the provisions of
section 137.073 or because of a voluntary reduction in the levy following the enactment of a
district sales tax under section 182.802, if the proceeds from the sales tax equal or exceed the
reduction in revenue from the levy.

3. The librarian of the library together with the treasurer of the library or the treasurer
of the city if there is no library treasurer shall certify to the state librarian the annual tax
income and rate of tax or the appropriation for the library on the date of the enactment of this
law, and of the current year, and each year thereafter, and the state librarian shall certify to the
commissioner of administration the amount to be paid to each library.

4. The balance of the moneys shall be administered and supervised by the state
librarian who may provide grants to public libraries for:

or consolidated libraries;

(2) Equalization to city/county, urban public, county or consolidated libraries;

(3) Reciprocal borrowing;

(4) Technological development;

(5) Interlibrary cooperation;

(6) Literacy programs; [and]

(7) Other library projects or programs that may be determined by the local library,

legally established board or the governing body of the city supporting the library and the
librarian of the library to the state librarian the fact of establishment, the rate of tax, the
assessed valuation of the library district and the annual tax yield of the library. The state
librarian shall then certify to the commissioner of administration the amount of establishment
grant to be paid to the libraries and warrants shall be issued for the amount allocated and
approved. The sum appropriated for state aid to public libraries shall be separate and apart
from any and all appropriations made to the state library; and

(8) Maintenance and repair of library facilities.

appropiations, or other public or private moneys to an academic library,
institutional library, library consortium, public library, school library, or special
library that is otherwise eligible to receive disbursements of funding from the state
librarian unless such library certifies in writing that:

age who accesses any material in any form;
(2) Moneys shall not be used to purchase or acquire material that constitutes "child pornography", is "pornographic for minors", and is "obscene", as those terms are defined in section 573.010;

(3) The library has adopted or will adopt a written, publicly accessible policy allowing a minor's parent or guardian to determine what materials and access will be available to such minor, and no person employed by or acting on behalf of the library shall knowingly grant to a minor access to any material in any form not approved by such minor's parent or guardian;

(5) No event or presentation shall be held at the library without an age-appropriate designation affixed to any publication, website, or advertisement for such event or presentation; and

(6) The library has adopted or will adopt a written, publicly accessible library materials challenge policy by which any person may dispute or challenge the library's age-appropriate designation affixed to any presentation, event, material, or display in the library, and the results of any such dispute or challenge shall be disclosed to the public and published on the library's website.

3. In order to be eligible to receive any state or federal grants, appropriations, or other public or private moneys disbursed by the state librarian to an academic library, institutional library, library consortium, public library, school library, or special library, such library shall submit a copy of the written policies described in subsection 2 of this section to the state librarian and, within thirty days of making a revision to such policies, submit such revisions to the state librarian.

4. Moneys received from federal sources and disbursed by the state librarian to an academic library, institutional library, library consortium, public library, school library, or special library shall follow the federal statutes and regulations of the program involved, the provisions of this section, and any other applicable state and local statutes and regulations.

5. Moneys received from other private or public sources and disbursed by the state librarian to an academic library, institutional library, library consortium, public library, school library, or special library shall follow program guidelines and regulations from the funding source, the provisions of this section, and any other applicable state and local statutes and regulations.

this section.

7. The secretary of state may promulgate rules to implement the provisions of
this section. Any rule or portion of a rule, as that term is defined in section 536.010, that
is created under the authority delegated in this section shall become effective only if it
complies with and is subject to all of the provisions of chapter 536 and, if applicable,
section 536.028. This section and chapter 536 are nonseverable and if any of the powers
vested with the general assembly pursuant to chapter 536 to review, to delay the
effective date, or to disapprove and annul a rule are subsequently held unconstitutional,
then the grant of rulemaking authority and any rule proposed or adopted after August
28, 2024, shall be invalid and void.
