71 **milligrams of psilocybin analyte (4-phosphoryloxy-N, N-dimethyltryptamine) during**  
72 **any twelve-month period.**

73           **3. Notwithstanding the provisions of chapter 195 or 579 or any other provision of**  
74 **law to the contrary:**

75           **(1) Any person twenty-one years of age or older who assists another person in**  
76 **any of the acts allowed under subsection 2 of this section shall not be in violation of state**  
77 **or local law and shall not be subject to a civil fine, penalty, or sanction; and**

78           **(2) Any laboratory licensed by the state to test controlled substances or cannabis**  
79 **that tests psilocybin for a person engaged in acts allowed under subsection 2 of this**  
80 **section shall not be in violation of state or local law and shall not be subject to a civil**  
81 **fine, penalty, or sanction.**

82           **4. Subject to appropriation, the department of mental health shall provide**  
83 **grants totaling two million dollars for research on the use and efficacy of psilocybin for**  
84 **persons described in subsection 2 of this section.**

85           **5. The department of mental health shall prepare and submit to the governor,**  
86 **lieutenant governor, and the general assembly annual reports on any information**  
87 **collected by the department on the implementation and outcomes of the use of**  
88 **psilocybin as described in subsection 2 of this section.**

89           **6. The department of mental health shall maintain the confidentiality of any**  
90 **personally identifiable protected information collected from any persons who provide**  
91 **information to the department under subsection 2 of this section.**

92           **7. Notwithstanding any other provision of law to the contrary, the department of**  
93 **mental health, any health care providers, and any other person involved in the acts**  
94 **described in subsection 2 of this section shall not be subject to criminal or civil liability**  
95 **or sanction under the laws of this state for providing care to a person engaged in acts**  
96 **allowed under subsection 2 of this section, except in cases of gross negligence or willful**  
97 **misconduct. No health care provider shall be subject to discipline against his or her**  
98 **professional license for providing care to a person engaged in acts allowed under**  
99 **subsection 2 of this section.**

100           **8. Notwithstanding any other provision of law to the contrary, a physician shall**  
101 **not be subject to criminal or civil liability or sanction under the laws of this state for**  
102 **providing documentation that a person suffers from posttraumatic stress disorder,**  
103 **major depressive disorder, or a substance use disorder or requires end-of-life care, and**  
104 **no state agency or regulatory board shall revoke, fail to renew, or take any other action**  
105 **against a physician's license issued under chapter 334 based solely on the physician's**  
106 **provision of documentation that a person suffers from posttraumatic stress disorder,**  
107 **major depressive disorder, or a substance use disorder or requires end-of-life care.**

108           **9. Notwithstanding any other provision of law to the contrary, no state agency or**  
109 **employee of a state agency shall disclose to the federal government, any federal**  
110 **government employee, or any unauthorized third party the statewide list or any**  
111 **individual information of persons who meet the requirements of this section.**

191.480. 1. For purposes of this section, the following terms shall mean:

2           (1) "Eligible patient", a person who meets all of the following:

3           (a) Has a terminal **condition or illness, a life-threatening condition or illness, or a**  
4 **severely debilitating condition or illness;**

5           (b) Has considered all other treatment options currently approved by the United  
6 States Food and Drug Administration and all relevant clinical trials conducted in this state;

7           (c) Has received a prescription or recommendation from the person's physician for an  
8 investigational drug, biological product, or device;

9           (d) Has given written informed consent which shall be at least as comprehensive as  
10 the consent used in clinical trials for the use of the investigational drug, biological product, or  
11 device or, if the patient is a minor or lacks the mental capacity to provide informed consent, a  
12 parent or legal guardian has given written informed consent on the patient's behalf; and

13           (e) Has documentation from the person's physician that the person has met the  
14 requirements of this subdivision;

15 (2) "Investigational drug, biological product, or device", a drug, biological product, or  
16 device, any of which are used to treat the patient's terminal **condition or illness, life-**  
17 **threatening condition or illness, or severely debilitating condition or illness**, that has  
18 successfully completed phase one of a clinical trial but has not been approved for general use  
19 by the United States Food and Drug Administration and remains under investigation in a  
20 clinical trial~~[-The term shall not include Schedule I controlled substances];~~

21 (3) **"Life-threatening condition or illness", a disease or condition:**

22 (a) **In which the likelihood of death is high unless the course of the disease is**  
23 **interrupted; and**

24 (b) **With potentially fatal outcomes, where the end point of clinical trial analysis**  
25 **is survival;**

26 (4) **"Severely debilitating condition or illness", a disease or condition that causes**  
27 **major irreversible morbidity;**

28 (5) "Terminal **condition or illness**", a disease **or condition** that without life-  
29 sustaining procedures will result in death in the near future or a state of permanent  
30 unconsciousness from which recovery is unlikely.

31 2. A manufacturer of an investigational drug, biological product, or device may make  
32 available the manufacturer's investigational drug, biological product, or device to eligible  
33 patients under this section. This section does not require that a manufacturer make available  
34 an investigational drug, biological product, or device to an eligible patient. A manufacturer  
35 may:

36 (1) Provide an investigational drug, biological product, or device to an eligible patient  
37 without receiving compensation; or

38 (2) Require an eligible patient to pay the costs of or associated with the manufacture  
39 of the investigational drug, biological product, or device.

40 3. This section does not require a health care insurer to provide coverage for the cost  
41 of any investigational drug, biological product, or device. A health care insurer may provide  
42 coverage for an investigational drug, biological product, or device.

43 4. This section does not require the department of corrections to provide coverage for  
44 the cost of any investigational drug, biological product, or device.

45 5. Notwithstanding any other provision of law to the contrary, no state agency or  
46 regulatory board shall revoke, fail to renew, or take any other action against a physician's  
47 license issued under chapter 334 based solely on the physician's recommendation to an  
48 eligible patient regarding prescription for or treatment with an investigational drug, biological  
49 product, or device. Action against a health care provider's Medicare certification based solely  
50 on the health care provider's recommendation that a patient have access to an investigational  
51 drug, biological product, or device is prohibited.

52           6. If a provision of this section or its application to any person or circumstance is held  
53 invalid, the invalidity does not affect other provisions or applications of this section that can  
54 be given effect without the invalid provision or application, and to this end the provisions of  
55 this section are severable.

56           7. If the clinical trial is closed due to lack of efficacy or toxicity, the drug shall not be  
57 offered. If notice is given on a drug, product, or device taken by a patient outside of a clinical  
58 trial, the pharmaceutical company or patient's physician shall notify the patient of the  
59 information from the safety committee of the clinical trial.

60           8. Except in the case of gross negligence or willful misconduct, any person who  
61 manufactures, imports, distributes, prescribes, dispenses, or administers an investigational  
62 drug or device to an eligible patient [~~with a terminal illness~~] in accordance with this section  
63 shall not be liable in any action under state law for any loss, damage, or injury arising out of,  
64 relating to, or resulting from:

65           (1) The design, development, clinical testing and investigation, manufacturing,  
66 labeling, distribution, sale, purchase, donation, dispensing, prescription, administration, or  
67 use of the drug or device; or

68           (2) The safety or effectiveness of the drug or device.

**630.1170. 1. Notwithstanding the provisions of chapter 195 or 579 to the  
2 contrary, the department of mental health, in collaboration with a hospital operated by  
3 an institution of higher education in this state or with contract research organizations  
4 conducting studies approved by the United States Food and Drug Administration, shall  
5 conduct a study on the efficacy of using alternative medicine and therapies, including  
6 the use of psilocybin, in the treatment of veterans who suffer from posttraumatic stress  
7 disorder, major depressive disorder, or substance use disorders or who require end-of-  
8 life care.**

9           **2. (1) In conducting the study, the department of mental health, in collaboration  
10 with the hospital or contract research organizations described in subsection 1 of this  
11 section and subject to appropriations, shall:**

12           **(a) Perform a study on the therapeutic efficacy of using psilocybin in the  
13 treatment of veterans who suffer from posttraumatic stress disorder, major depressive  
14 disorder, or substance use disorders or who require end-of-life care; and**

15           **(b) Review current literature regarding:**

16           **a. The safety and efficacy of psilocybin in the treatment of veterans who suffer  
17 from posttraumatic stress disorder, major depressive disorder, or substance use  
18 disorders or who require end-of-life care; and**

19           **b. The access that veterans have to psilocybin for such treatment.**

20           **(2) The department of mental health shall prepare and submit to the governor,**  
21 **lieutenant governor, and the general assembly the following:**

22           **(a) Quarterly reports on the progress of the study; and**

23           **(b) A written report, submitted one year following the commencement of the**  
24 **study, that shall:**

25           **a. Contain the results of the study and any recommendations for legislative or**  
26 **regulatory action; and**

27           **b. Highlight those clinical practices that appear to be most successful as well as**  
28 **any safety or health concerns.**

29           **3. The department of mental health shall maintain the confidentiality of any**  
30 **personally identifiable protected information collected during the study under this**  
31 **section.**

32           **4. Notwithstanding any other provision of law to the contrary, the department of**  
33 **mental health, any health care providers, and any other person involved in the study**  
34 **under this section shall not be subject to criminal or civil liability or sanction under the**  
35 **laws of this state for participating in the study, except in cases of gross negligence or**  
36 **willful misconduct. No health care provider shall be subject to discipline against his or**  
37 **her professional license for participation in the study.**

38           **5. Notwithstanding any other provision of law to the contrary, a physician shall**  
39 **not be subject to criminal or civil liability or sanction under the laws of this state for**  
40 **referring a veteran to the study under this section, and no state agency or regulatory**  
41 **board shall revoke, fail to renew, or take any other action against a physician's license**  
42 **issued under chapter 334 based solely on the physician's referral of a veteran to the**  
43 **study under this section.**
