

SECOND REGULAR SESSION

HOUSE BILL NO. 1673

102ND GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVE MATTHIESEN.

4328H.011

DANA RADEMAN MILLER, Chief Clerk

AN ACT

To repeal section 260.558, RSMo, and to enact in lieu thereof one new section relating to the radioactive waste investigation fund.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 260.558, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 260.558, to read as follows:

260.558. 1. There is hereby created in the state treasury the "Radioactive Waste Investigation Fund". The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely by the department of natural resources to investigate concerns of exposure to radioactive waste. Upon written request by a local governing body expressing concerns of radioactive waste contamination in a specified area within its jurisdiction, the department of natural resources shall use moneys in the radioactive waste investigation fund to develop and conduct an investigation, using sound scientific methods, for the specified area of concern. The request by a local governing body shall include a specified area of concern and any supporting documentation related to the concern. The department shall prioritize requests in the order in which they are received, except that the department may give priority to requests that are in close proximity to federally designated sites where radioactive contaminants are known or reasonably expected to exist. The investigation shall be performed by applicable federal or state agencies or by a qualified contractor selected by the department through a competitive bidding process. In conducting an investigation under this section, the department shall work with the applicable government agency or approved contractor, as well as local officials, to

19 concern exceed federal standards for remedial action due to contamination. **The**
20 **investigation may include the collection of soil, dust, and water samples from the**
21 **specified area.** Within a residential area, this plan may include [~~dust~~] samples collected
22 inside residential homes only after obtaining permission from the homeowners. The samples
23 shall be analyzed for the isotopes necessary to correlate the samples with the suspected
24 contamination, as described in the sampling and analysis plan. Within forty-five days of
25 receiving the final sampling results, the department shall report the results to the attorney
26 general and the local governing body that requested the investigation and make the finalized
27 report and testing results publicly available on the department's website.

28 2. The transfer to the fund **from the hazardous waste fund** shall not exceed [~~one~~
29 ~~hundred fifty~~] **three hundred** thousand dollars per fiscal year. Investigation costs expended
30 from this fund shall not exceed [~~one hundred fifty~~] **three hundred** thousand dollars **from the**
31 **hazardous waste fund and any additional general revenue funds appropriated** per fiscal
32 year. Any moneys remaining in the fund at the end of the biennium shall revert to the credit
33 of the hazardous waste fund.

34 3. The state treasurer shall invest moneys in the fund in the same manner as other
35 funds are invested. Any interest and moneys earned on such investments shall be credited to
36 the fund.
