84 required by sections 130.049 and 130.050, whichever is applicable to that committee.

85 8. Any person publishing, circulating, or distributing any printed matter relative to  
86 any candidate for public office or any ballot measure shall on the face of the printed matter  
87 identify in a clear and conspicuous manner the person who paid for the printed matter with the

125 subsection.

126 9. Any broadcast station transmitting any matter relative to any candidate for public  
127 office or ballot measure as defined by this chapter shall identify the sponsor of such matter as  
128 required by federal law.

129 10. The provisions of subsection 8 or 9 of this section shall not apply to candidates for  
130 elective federal office, provided that persons causing matter to be printed or broadcast  
131 concerning such candidacies shall comply with the requirements of federal law for  
132 identification of the sponsor or sponsors.

133 11. It shall be a violation of this chapter for any person required to be identified as

136 to purposely provide false, misleading, or incomplete information.

137 12. It shall be a violation of this chapter for any committee to offer chances to win

4 bills, receipts, deposit records, cancelled checks, **credit card statements, and records** and  
5 other detailed information necessary to prepare and substantiate any statement or report  
6 required to be filed pursuant to this chapter. Every person who acts as an agent for a  
7 committee in receiving contributions, making expenditures or incurring indebtedness for the

8 committee shall, on request of that committee's treasurer, deputy treasurer or candidate, but in  
9 any event within five days after any such action, render to the candidate, committee treasurer  
10 or deputy treasurer a detailed account thereof, including names, addresses, dates, exact  
11 amounts and any other details required by the candidate, treasurer or deputy treasurer to  
12 comply with this chapter. Notwithstanding the provisions of subsection 4 of section 130.021

14 entity, or labor organization which acts as an agent for a committee in receiving contributions  
15 may deposit contributions received on behalf of the committee to the agent's account within a  
16 financial institution within this state, for purposes of facilitating transmittal of the  
17 contributions to the candidate, committee treasurer or deputy treasurer. Such contributions  
18 shall not be held in the agent's account for more than five days after the date the contribution  
19 was received by the agent, and shall not be transferred to the account of any other agent or  
20 person, other than the committee treasurer.

21 2. Unless a contribution is rejected by the candidate or committee and returned to the  
22 donor or transmitted to the state treasurer within ten business days after its receipt, it shall be  
23 considered received and accepted on the date received, notwithstanding the fact that it was  
24 not deposited by the closing date of a reporting period.

26 than one hundred dollars shall be reported by name and address for all committees, the  
27 committee's records shall contain a listing of each contribution received by the committee,  
28 including those accepted and those which are rejected and either returned to the donor or  
29 transmitted to the state treasurer. Each contribution, regardless of the amount, shall be  
30 recorded by date received, name and address of the contributor and the amount of the  
31 contribution, except that any contributions from unidentifiable persons which are received  
32 through fund-raising activities and events as permitted in subsection 6 of section 130.031  
33 shall be recorded to show the dates and amounts of all such contributions received together  
34 with information contained in statements required by subsection 6 of section 130.031. The  
35 procedure for recording contributions shall be of a type which enables the candidate,  
36 committee treasurer or deputy treasurer to maintain a continuing total of all contributions  
37 received from any one contributor.

38 4. ~~[Notwithstanding the provisions of section 130.041 that certain expenditures need~~  
39 ~~not be identified in reports by name and address of the payee,]~~ The committee's records shall  
40 include a listing of each expenditure made and each contract, promise or agreement to make  
41 an expenditure, showing the date and amount of each transaction, the name and address of the  
42 person to whom the expenditure was made or promised, and the purpose of each expenditure  
43 made or promised.

44           5. In the case of a committee which makes expenditures for both the support or  
45 opposition of any candidate and the passage or defeat of a ballot measure, the committee  
46 treasurer shall maintain records segregated according to each candidate or measure for which  
47 the expenditures were made.

48           6. Records shall indicate which transactions, either contributions received or  
49 expenditures made, were cash transactions or in-kind transactions.

50           7. Any candidate who, pursuant to section 130.016, is exempt from the requirements  
51 to form a committee shall maintain records of each contribution received or expenditure made  
52 in support of his candidacy. Any other person or combination of persons who, although not  
53 deemed to be a committee according to the definition of the term "committee" in section  
54 130.011, accepts contributions or makes expenditures, other than direct contributions from the  
55 person's own funds, for the purpose of supporting or opposing the election or defeat of any  
56 candidate or for the purpose of supporting or opposing the qualifications, passage or defeat of  
57 any ballot measure shall maintain records of each contribution received or expenditure made.  
58 The records shall include name, address and amount pertaining to each contribution received  
59 or expenditure made and any bills, receipts, cancelled checks or other documents relating to  
60 each transaction.

61           8. All records and accounts of receipts and expenditures shall be preserved for at least  
62 three years after the date of the election to which the records pertain. Records and accounts  
63 regarding supplemental disclosure reports or reports not required pursuant to an election shall  
64 be preserved for at least three years after the date of the report to which the records pertain.  
65 Such records shall be available for inspection by the [~~campaign finance review board~~]  
66 **Missouri ethics commission** and its duly authorized representatives.

85 130.049 and 130.050 which requires a listing of each contributor who has contributed a  
86 specified amount, the aggregate amount shall be computed by adding all contributions  
87 received from any one person during the following periods:

89 the candidate became a candidate according to the definition of the term "candidate" in

101 shall begin on the first day of January of the year in which the report or statement is being  
102 filed and end on the closing date for the period for which the report or statement is required;

40 investigate the applicant under subsection 3 of this section and the time frames  
41 established by agreement through the multistate licensing process, provided however,  
42 that in no case shall such time frame be noncompliant with the application period in  
43 subdivision (1) of subsection 1 of this section.

44 5. The director shall issue a formal written notice of the denial of a license

6 2. A licensee shall submit a renewal report with the renewal fee, in a form and in  
7 a medium prescribed by the director. The renewal report shall state or contain a

10 3. The director for good cause may grant an extension of the renewal date.

11 4. The director shall be authorized and encouraged to utilize NMLS to process  
12 license renewals, provided that such functionality is consistent with this section.

14 under subdivision (1) of subsection 2 of this section without using NMLS.

15 4. The application required under subdivision (1) of subsection 2 of this section  
16 shall include information required under section 361.939 for any new key individuals  
17 that have not previously completed the requirements of section 361.939 for a licensee.

31 accepted for processing means only that the application, on its face, appears to include  
32 all of the items and address all of the matters that are required, and is not an assessment  
33 of the substance of the application or of the sufficiency of the information provided.

34 7. If an application is filed and considered complete under subsection 5 of this  
35 section, the director shall investigate the financial condition and responsibility, financial  
36 and business experience, character, and general fitness of the person, or group of  
37 persons acting in concert, seeking to acquire control. The director shall approve an  
38 acquisition of control under this section if the director finds that all of the following

46 after the acquisition of control indicate that it is in the interest of the public to permit  
47 the person, or group of persons acting in concert, to control the licensee.

48 8. If an applicant avails itself or is otherwise subject to a multistate licensing  
49 process:
