

HOUSE BILL NO. 2413

102ND GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVE PETERS.

5162H.011

DANA RADEMAN MILLER, Chief Clerk

AN ACT

To repeal section 192.769, RSMo, relating to mammograms.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 192.769, RSMo, is repealed, to read as follows:

2 ~~[192.769. 1. On completion of a mammogram, a mammography~~
3 ~~facility certified by the United States Food and Drug Administration (FDA) or~~
4 ~~by a certification agency approved by the FDA shall provide to the patient the~~
5 ~~following notice:~~

6 ~~"If your mammogram demonstrates that you have dense breast tissue,~~
7 ~~which could hide abnormalities, and you have other risk factors for breast~~
8 ~~cancer that have been identified, you might benefit from supplemental~~
9 ~~screening tests that may be suggested by your ordering physician. Dense~~
10 ~~breast tissue, in and of itself, is a relatively common condition. Therefore, this~~
11 ~~information is not provided to cause undue concern, but rather to raise your~~
12 ~~awareness and to promote discussion with your physician regarding the~~
13 ~~presence of other risk factors, in addition to dense breast tissue. A report of~~
14 ~~your mammography results will be sent to you and your physician. You~~
15 ~~should contact your physician if you have any questions or concerns regarding~~
16 ~~this report."~~

17 ~~2. Nothing in this section shall be construed to create a duty of care~~
18 ~~beyond the duty to provide notice as set forth in this section.~~

19 ~~3. The information required by this section or evidence that a person~~
20 ~~violated this section is not admissible in a civil, judicial, or administrative~~
21 ~~proceeding.~~

22 ~~4. A mammography facility is not required to comply with the~~
~~requirements of this section until January 1, 2015.]~~
