25 3. Every person who is eligible for a blind pension under sections 209.010 to 209.160
26 shall be entitled to receive a monthly pension in an amount established by appropriations
27 made by the general assembly for that purpose but not less than three hundred forty dollars;
28 except that pensions to the blind as provided herein shall not be payable to a blind person
29 unless such person has been declared ineligible to receive aid under the federal supplemental
30 security income program, nor shall pensions to the blind as provided herein be payable to any
31 person who is receiving general relief assistance.

32 4. If the funds at the disposal of or which may be obtained by the department of social
33 services for the payment of benefits under this section shall at any time become insufficient to

40 designated for such medical assistance and not from the blind pension fund.

41 6. The monthly pension provided in subsection 3 of this section shall be set by the
42 general assembly annually and may be adjusted by a supplemental appropriation bill. The
43 department of social services shall submit to the general assembly a projected estimate of the
44 monthly pension payment for each upcoming fiscal year with the department's proposed
45 budget request for each upcoming fiscal year. The estimate may consider projected revenues
46 from the tax levied under section 209.130, the projected balance in the blind pension fund,
47 projected cash flow estimates to the blind pension fund, and estimates of the number of
48 persons eligible to receive blind pension payments in each upcoming fiscal year. The
49 department may consult with the state treasurer, the department of revenue, and other sources
50 in estimating projected revenues under this subsection. The estimated change in the monthly
51 pension payment for each upcoming fiscal year shall be calculated as follows: one-twelfth of
52 the quotient obtained by dividing seventy-five percent of the annual change in the amount of

53 funds in the blind pension fund for the preceding fiscal year by the projected number of
54 persons eligible to receive the monthly pension provided in subsection 1 of this section.
