

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

TWENTY-EIGHTH DAY, TUESDAY, FEBRUARY 20, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Why art thou cast down, O my soul? and why art thou disquieted within me? Hope thou in God. (Psalm 42:5)

O God whose presence underlies all that we do, whose power overarches all that we say, and whose peace surrounds all that we think, we bow and lift our spirits to You in prayer. As we offer You the devotion of our hearts, may the fruits of Your spirit – love and joy, gentleness and goodness, patience and peace – come to new life within us and remain forever.

And the House says, “Amen!”

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-seventh day was approved as printed by the following vote:

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 1749, Page 7, Section 116.090, Line 26, by inserting after all of said section and line the following:

"116.095. 1. All petitions or referendums that are submitted to the secretary of state for validation of sufficiency shall be closed records unless a United States citizen and Missouri resident petitions the court for good cause to review the documents under the supervision of the office of the secretary of state. No election authority shall knowingly provide completed petition or referendum pages with signatures or other information collected to any entity other than to the office of the secretary of state.

2. It is a rebuttable presumption that the petition or referendum filer, who shall be a Missouri citizen, shall have good cause to review completed signature sheets under the supervision of the office of the secretary of state.

3. A violation of this section shall be a class A misdemeanor punishable, notwithstanding the provisions of section 558.002 to the contrary, by a term of imprisonment not to exceed one year in the county jail or a fine not to exceed ten thousand dollars or both."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Patterson moved the previous question.

On motion of Representative O'Donnell, **House Amendment No. 1** was adopted.

Representative Merideth offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for House Bill No. 1749, Page 6, Section 116.050, Line 24, by inserting after all of said section and line the following:

"116.055. 1. As used in this section the following terms mean:

- (1) "Electronic signature", the submission of data by an eligible voter as prescribed under subsection 2 of this section;**
- (2) "Eligible voter", any person registered to vote in accordance with section 115.151;**
- (3) "Initiative and referendum petition", any document filed under the provisions of chapter 116;**
- (4) "Website", an electronic reporting system that is connected to the internet and maintained by the secretary of state.**

2. The secretary of state shall administer and be responsible for the establishment, implementation, and maintenance of a website allowing for the submission of electronic signatures for every initiative and referendum petition, and any eligible voter may choose whether to submit his or her electronic signature for a petition or sign the petition manually. This section shall not be construed to require an eligible voter to use an electronic signature but an electronic signature may be used as an alternative to manually signing a petition.

3. An eligible voter may sign a petition by use of an electronic signature. The secretary of state and each election commissioner or county clerk shall accept an electronic signature meeting the requirements of this section and include the signature in the count of signatures necessary to validate the petition.

No circulator signature or notarization shall be required for electronic signatures. The use of an electronic signature shall have the same force and effect as the use of a manual signature on a petition only if the electronic signature complies with the following requirements:

- (1) The electronic signature is submitted by an eligible voter to a website established under subsection 2 of this section;
- (2) A voter, at the time of submitting the electronic signature, also submits:
 - (a) His or her name, address, county of residence, and date of birth as shown on his or her voter registration record;
 - (b) His or her assent to the petition document; and
 - (c) A unique identifier that shall be provided to each registered voter by the secretary of state;
- (3) The electronic signature is correlated with the voter as evidenced by a reasonable match with voter registration records and voting records that correspond to at least one item of state-qualified data;
- (4) The electronic signature has not been subsequently repudiated by the voter through a process established by the secretary of state;
- (5) The electronic signature has not been previously submitted and verified as a signature on the same petition; and
- (6) The electronic signature conforms to reasonable rules and regulations adopted and promulgated by the secretary of state.

4. The secretary of state shall adopt and promulgate rules and regulations to carry out this section. The secretary of state shall seek the advice of public and private entities in developing the rules and regulations. The rules and regulations shall provide for a degree of security for the process of submitting electronic signatures and electronic signature verification reasonably related to the risks and consequences of fraud or misuse. The rules and regulations shall require, at a minimum, the maintenance of an audit trail of public internet protocol addresses identified with the session in which the electronic signature was submitted, the data submitted by the voter, the time and date of the submission, and the state-qualified data used for verification.

5. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void.";

and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Speaker Pro Tem Henderson assumed the Chair.

Representative Patterson moved the previous question.

House Amendment No. 3

AMEND House Committee Substitute for House Bill No. 1749, Page 9, Section 116.130, Line 50, by inserting after all of said section and line the following:

"116.153. Within thirty days of issuing certification that the petition contains a sufficient number of valid signatures pursuant to section 116.150, **the governor shall call a special session and submit it to the general assembly.** The joint committee on legislative research shall hold a public hearing in Jefferson City to take public comments concerning the proposed measure. Such hearing shall be a public meeting under chapter 610. Within five business days after the end of the public hearing, the joint committee on legislative research shall provide a summary of the hearing to the secretary of state or his or her designee and the secretary of state shall post a copy of

the summary on the website of the office of the secretary of state. **Following the public hearing in committee, the initiative petition shall be debated on the floor of each chamber. Neither chamber shall amend the initiative petition nor hold a vote on it but shall otherwise follow regular procedures for bills heard on the floor. This process shall be completed independently in each chamber of the general assembly and neither chamber shall require action of the other before completing the process. The requirements of this section shall be completed within four weeks of the petition's certification by the secretary of state.**"; and

Further amend said bill, Page 12, Section 116.153, Lines 1-9, by deleting all of said section and lines; and

PERFECTION OF HOUSE BILLS - INFORMAL

HB 2430, relating to personal property valuations, was taken up by Representative McGirl.

On motion of Representative McGirl, the title of **HB 2430** was agreed to.

Representative McGirl offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Bill No. 2430, Page 5, Section 137.073, Lines 148-150, by deleting the phrase "**Any increase in value from a previous year's National Automobile Dealers Association (NADA) Official Used Car Guide shall not be counted as new construction**" and inserting in lieu thereof the following:

"Beginning January 1, 2026, any increase in motor vehicle value from a previous year's price guide under subsection 9 of section 137.115 shall not be counted as new construction"; and

Further amend said bill and section, Page 10, Line 332, by inserting after all of said section and line the following:

"137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the City of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section and section 137.078, **for all calendar years ending on or before December 31, 2024**, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. **Except as otherwise provided in subsection 3 of this section and section 137.078, for all calendar years beginning on or after January 1, 2025, the assessor shall annually assess all personal property at thirty-one percent of its true value in money as of January first of each calendar year.** The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. The true value in money of any possessory interest in real property in subclass (3), where such real property is on or lies within the ultimate airport boundary as shown by a federal airport layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR Part 139 certification and owned by a political subdivision, shall be the otherwise applicable true value in money of any such possessory interest in real property, less the total dollar amount of costs paid by a party, other than the political subdivision, towards any new construction or improvements on such real property completed after January 1, 2008, and which are included in the above-mentioned possessory interest, regardless of the year in which such costs were incurred or whether such costs were considered in any prior year.

The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this subdivision, the word "comparable" means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

2. Assessors in each county of this state and the City of St. Louis may send personal property assessment forms through the mail.

3. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percentages of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles pursuant to section 301.131 and aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than two hundred hours per year or aircraft that are home built from a kit, five percent;

(5) Poultry, twelve percent; and

(6) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (7) of section 135.200, twenty-five percent.

4. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

5. (1) All subclasses of real property, as such subclasses are established in Section 4(b) of Article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(a) For real property in subclass (1), nineteen percent;

(b) For real property in subclass (2), twelve percent; and

(c) For real property in subclass (3), thirty-two percent.

(2) A taxpayer may apply to the county assessor, or, if not located within a county, then the assessor of such city, for the reclassification of such taxpayer's real property if the use or purpose of such real property is changed after such property is assessed under the provisions of this chapter. If the assessor determines that such property shall be reclassified, he or she shall determine the assessment under this subsection based on the percentage of the tax year that such property was classified in each subclassification.

6. Manufactured homes, as defined in section 700.010, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. For purposes of this section, a manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. For purposes of this section, a manufactured home located on real estate owned by the manufactured home owner may be considered real property.

7. Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015 and assessed as a realty improvement to the existing real estate parcel.

8. Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015, in which case the amount of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

9. The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. The assessor shall not use a value that is greater than the average trade-in value in determining the true value of the motor vehicle without performing a physical inspection of the motor vehicle. For vehicles two years old or newer from a vehicle's model year, the assessor may use a value other than average without performing a physical inspection of the motor vehicle. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle.

10. Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

11. If a physical inspection is required, pursuant to subsection 10 of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

12. A physical inspection, as required by subsection 10 of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection 11 of this section. Mere observation of the property via a drive-by inspection or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

13. A county or city collector may accept credit cards as proper form of payment of outstanding property tax or license due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank, processor, or issuer for its service. A county or city collector may accept payment by electronic transfers of funds in payment of any tax or license and charge the person making such payment a fee equal to the fee charged the county by the bank, processor, or issuer of such electronic payment.

14. Any county or city not within a county in this state may, by an affirmative vote of the governing body of such county, opt out of the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of the general reassessment, prior to January first of any year. No county or city not within a county shall exercise this opt-out provision after implementing the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, in a year of general reassessment. For the purposes of applying the provisions of this subsection, a political subdivision contained within two or more counties where at least one of such counties has opted out and at least one of such counties has not opted out shall calculate a single tax rate as in effect prior to the enactment of house bill no. 1150 of the ninety-first general assembly, second regular session. A governing body of a city not within a county or a county that has opted out under the provisions of this subsection may choose to implement the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session, and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of general reassessment, by an affirmative vote of the governing body prior to December thirty-first of any year.

15. The governing body of any city of the third classification with more than twenty-six thousand three hundred but fewer than twenty-six thousand seven hundred inhabitants located in any county that has exercised its authority to opt out under subsection 14 of this section may levy separate and differing tax rates for real and personal property only if such city bills and collects its own property taxes or satisfies the entire cost of the billing and collection of such separate and differing tax rates. Such separate and differing rates shall not exceed such city's tax rate ceiling.

16. Any portion of real property that is available as reserve for strip, surface, or coal mining for minerals for purposes of excavation for future use or sale to others that has not been bonded and permitted under chapter 444 shall be assessed based upon how the real property is currently being used. Any information provided to a county assessor, state tax commission, state agency, or political subdivision responsible for the administration of tax policies shall, in the performance of its duties, make available all books, records, and information requested, except such books, records, and information as are by law declared confidential in nature, including individually identifiable information regarding a specific taxpayer or taxpayer's mine property. For purposes of this subsection, "mine property" shall mean all real property that is in use or readily available as a reserve for strip, surface, or coal mining for minerals for purposes of excavation for current or future use or sale to others that has been bonded and permitted under chapter 444."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Bland Manlove raised a point of order that members were in violation of Rule 90.

The Chair reminded members not to cross the line of debate.

On motion of Representative McGirl, **House Amendment No. 1** was adopted.
