

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

FIFTY-SEVENTH DAY, TUESDAY, APRIL 16, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

He leadeth me in the paths of righteousness for His name's sake. (Psalm 23:3)

Eternal God, and Shepherd, whose love never lets us go, whose patience never lets us down, hear us again as we offer to You our morning prayer in this great chamber. We come out of a sense of need, out of a conviction that You are with us, and we would find our confidence and our courage in the support of Your sustaining strength and love.

We pray for light upon our way, love along our path, and life amid the daily duties of our demanding day. Center our lives and the lives of our citizens around faith rather than fear, around mercy rather than cruelty, and around high principles rather than low prejudices. Strengthen us where we are weak, hold us firm when we would fall, steady us when we start to slip, and lift us up when we fall.

Remind us of the joy which has undergirded Missouri, the freedom which is our rich heritage, and of our faith in You which has made and still makes our State great, strong, and wonderful!

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Hannah McDonald, Landon O'Donnell, and Colby Kupaks.

The Journal of the fifty-sixth day was approved as printed by the following vote:

AYES: 116

HCS HB 2756, HCS HBs 2464 & 2460, HCS HB 1534, HCS HBs 1520, 1519, 2355 & 2357, HCS HB 2319, HCS HB 1564, HCS HB 1428, HCS HBs 1434 & 1491, HB 1512, HB 1617, HCS HBs 1961 & 2197, HB 2141, HCS HB 2348, HCS HB 2489, HB 2571, HCS HB 2599, HCS HB 2669, HCS HB 2700, HCS HB 2763 and HB 1628 were placed on the Informal Calendar.

PERFECTION OF HOUSE BILLS - INFORMAL

HCS HB 2756, relating to the property assessment clean energy act, was taken up by Representative O'Donnell.

On motion of Representative O'Donnell, the title of **HCS HB 2756** was agreed to.

Representative O'Donnell offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 2756, Page 1, Section 67.2800, Line 6, by deleting the word "twenty" and inserting in lieu thereof "~~twenty~~ thirty"; and

Further amend said bill, Page 3, Section 67.2810, Line 23, by deleting the word "**subdivision**" and inserting in lieu thereof the word "**subdivisions**"; and

Further amend said bill, Page 5, Section 67.2815, Line 19, by deleting the word "twenty" and inserting in lieu thereof "~~twenty~~ thirty"; and

Further amend said section, Page 6, Line 67, by inserting after all of said section and line the following:

"67.2817. 1. Notwithstanding any other contractual agreement to the contrary, each assessment contract shall be reviewed, approved, and executed by the clean energy development board and these duties shall not be delegated. Any attempted delegations of these duties shall be void.

2. An assessment contract shall not be approved, executed, submitted, or otherwise presented for recording unless a clean energy development board verifies that the following criteria are satisfied:

(1) The PACE assessments are assessed in equal annual installments;

(2) The PACE assessment may be paid in full at any time without prepayment penalty. The pay-off letter shall specify the amount of any fee or charge by a lender or loan service agent to obtain the total balance due. The release of the assessment shall be recorded within thirty days of the receipt of the amounts identified in the pay-off letter;

(3) The assessment contract shall disclose applicable penalties, interest penalties, or late fees under the contract and describe generally the interest and penalties imposed under chapter 140 relating to the collection of delinquent property taxes;

(4) The clean energy development board shall provide a separate statement to the owner of the residential property of the penalties or late fees authorized under the assessment contract and of the penalties and interest penalties under chapter 140 for the applicable tax collector as of the date of the assessment contract;

(5) The clean energy development board has confirmed that the property owner is current on property taxes for the project property;

(6) The property that shall be subject to the assessment contract has no recorded and outstanding involuntary liens in excess of one thousand dollars;

(7) The property owner shall not currently be a party to any bankruptcy proceeding where any existing lien holder of the property is named as a creditor;

(8) The term of the assessment contract shall not exceed the weighted average useful life of the qualified improvements to which the greatest portion of funds disbursed under the assessment contract is attributable, not to exceed ~~twenty~~ **thirty** years. The clean energy development board shall determine useful life for purposes of this subdivision based upon credible third-party standards or certification criteria that have been established by appropriate government agencies or nationally recognized standards and testing organizations;

(9) The property owner is current on all mortgage debt on the subject property and has no more than one late payment during the twelve months immediately preceding the application date on any mortgage debt; and

(10) The clean energy development board shall not enter into an assessment contract or levy or collect a special assessment for a project without making a finding that there are sufficient resources to complete the project and that the estimated economic benefit expected from the project during the financing period is equal to or greater than the cost of the project.

3. Any assessment contract for a project that, combined with any existing and outstanding indebtedness secured by the benefitted property, results in a loan-to-value ratio between eighty percent and ninety-seven percent of the true value in money, as determined by the assessor pursuant to chapter 137, plus ten percent of such amount, of the benefitted property prior to the project as determined by reference to the assessment records for tax purposes for the most recent completed assessment by the county, or city not within a county, shall include provision of an insurance policy providing coverage for any remaining cost of fulfilling the assessment contract, including any accumulated interest, in the event the property is foreclosed upon, if such product exists. Such insurance policy shall run with the land in the same manner as the other obligations set forth in the assessment contract.

4. The property owner executing the PACE assessment contract shall have a three-day right to cancel the qualifying improvements proposed for financing under the PACE assessment contract. The three-day right to cancel shall expire at midnight of the third business day after a property owner signs the assessment contract. The clean energy development board shall be required to provide a printed form that is presented to the property owner no later than the time of signing of the assessment contract detailing the property owner's right to cancel. An electronic form may be provided if the owner consents electronically to receiving an electronic form.

5. Prior to the execution of an assessment contract, the clean energy development board shall advise the property owner in writing that any delinquent assessment shall be a lien on the property subject to the assessment contract and that the obligations under the PACE assessment contract continue as an obligation against the improved property if the property owner sells or refinances the property and that a purchaser or lender may require that before the owner may sell or refinance the property that the owner may be required to pay the assessment contract in full.

6. Prior to the execution of an assessment contract, the clean energy development board shall advise the property owner in writing that if the property owner pays his or her property taxes and special assessments via a lender or loan servicer's escrow program, the special assessment will cause the owner's monthly escrow requirements to increase and increase the owner's total monthly payment to the lender or the loan servicer. The clean energy development board shall further advise the property owner that if the special assessment results in an escrow shortage that the owner will be required to pay the shortage in a lump-sum payment or catch up the shortage over twelve months.

7. The clean energy development board, within three days of entering an assessment contract, shall provide any holder of a first mortgage loan a copy of the assessment contract and a statement that includes a brief description of the project, the cost of the project, the annual assessment that will be levied, and the number of annual assessments. Transmittal shall be by United States mail to the holder of the first mortgage loan of record.

8. The clean energy development board shall maintain a public website with current information about the PACE program as the board deems appropriate to inform consumers regarding the PACE program. The website shall list approved contractors for the PACE program. The website shall disclose the process for property owners or their successors to request information about the assessment contract, the status of the assessment contract, and for all questions including contract information to obtain a payoff amount for the release of an assessment contract.

9. The clean energy development board, its agents, contractor, or other third party shall not make any representation as to the income tax deductibility of an assessment.

67.2830. 1. A clean energy development board may issue bonds payable from special assessment revenues generated by assessment contracts and any other revenues pledged thereto. The bonds shall be authorized by resolution of the clean energy development board, shall bear such date or dates, and shall mature at such time or times as the resolution shall specify, provided that the term of any bonds issued for a clean energy conduit financing shall not exceed ~~twenty~~ **thirty** years. The bonds shall be in such denomination, bear interest at such rate, be in such form, be issued in such manner, be payable in such place or places, and be subject to redemption as such resolution may provide. Notwithstanding any provision to the contrary under this section, issuance of the bonds shall conform to the requirements of subsection 1 of section 108.170.

2. Any bonds issued under this section shall not constitute an indebtedness of the state or any municipality. Neither the state nor any municipality shall be liable on such bonds, and the form of such bonds shall contain a statement to such effect."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative O'Donnell, **House Amendment No. 1** was adopted.

On motion of Representative O'Donnell, **HCS HB 2756, as amended**, was adopted.

On motion of Representative O'Donnell, **HCS HB 2756, as amended**, was ordered perfected and printed.

THIRD READING OF SENATE BILLS
