

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SIXTY-SECOND DAY, WEDNESDAY, APRIL 24, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

A faithful man shall abound with blessings. (Proverbs 28:20)

Eternal Guide of our spirits, we rejoice in the glory of a new day and in the beginning of another day of noble legislative activity. During this time when the foundations of the world seem to be changing and some bitterness would bite the best of us, we would use this hallowed moment of prayer to be assured of Your presence and to tap into the spiritual resources we need as we face the pressing duties of these heavy hours.

May we feel Your spirit leading us as we cast our votes; may we possess Your power which holds us steady amid the constant pressures of daily political life; and may our trust in You deliver us from those tensions which would tear us to pieces and from those worries which would wear us out. All through this day may we think our best, do our best, and be our best, and thus be worthy of our calling to this high office as representatives of our people.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-first day was approved as printed by the following vote:

(3) "Medical emergency", an injury or the sudden and, at the time, unexpected onset of a health condition that manifests itself by symptoms of sufficient severity that would lead a prudent layperson, possessing an average knowledge of health and medicine, to believe that the absence of immediate medical care could result in:

(a) Placing the person's health in significant jeopardy;

(b) Serious impairment to a bodily function;

(c) Serious dysfunction of any bodily organ or part; or

(d) Inadequately controlled pain;

(4) "Summer camp", a program operated from May to September by a person or organization with the primary function of providing a summer recreational program for children five years of age or older and providing no child care for children under five years of age in the same space or in the same outdoor play area simultaneously.

2. Any person or organization operating a summer camp in this state shall ensure that employees of the summer camp are certified in operating equipment used in any aquatic activity offered by the summer camp.

3. (1) Any person or organization operating a summer camp in this state shall establish and retain onsite a written site-specific emergency plan, which shall be approved by the director of the summer camp, outlining procedures that address the following emergency situations:

(2) Summer camp employees, including the director and camp counselors, shall be trained in implementing the emergency plan procedures provided for under subdivision (1) of this subsection.

4. At least fifty percent of the camp counselors employed by a summer camp, and any director employed by a summer camp, shall be trained in cardiopulmonary resuscitation and in the use of an automated external defibrillator.

5. Any aquatic activity offered by a summer camp to children attending the summer camp and any related equipment shall be inspected annually by the relevant state department including, but not limited to, the department of health and senior services, the department of public safety, or the department of conservation. Such inspections may be completed by local agencies if the standards employed by local personnel are substantially equivalent to state standards and local personnel are available for enforcement of such standards.

6. The department of elementary and secondary education shall maintain a list of all licensed summer camps in this state and any complaints against any of those summer camps. Such information shall be made available to the public.

7. It shall be unlawful for any person or organization to establish, maintain, or operate a summer camp that has not obtained a license from the department of elementary and secondary education. If a person or organization violates the provisions of this section prior to May 1, 2027, the person or organization shall receive a written warning for each violation.

11. The department of elementary and secondary education may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2024, shall be invalid and void.
