

HB 1414 -- NATIONAL MOTTO IN PUBLIC BUILDINGS

SPONSOR: Stacy

This bill specifies that, if funds are available, the national motto shall be displayed in public buildings, including public schools and state institutions of higher education.

This bill also specifies the display requirements, poster specifications, and display locations.

The posters or framed copies authorized by this section are to be either donated or purchased solely with funds made available through voluntary contributions to the local school boards or the State Board of Public Buildings for the specified purpose.
