

HB 1448 -- K-EIGHT TUITION REIMBURSEMENT

SPONSOR: Lewis (6)

This bill modifies the calculation of tuition for students from a district that only offers grades K-Eight that are attending a district offering a high school program. The current calculation is based on the average attendance of the receiving district. This bill modifies the calculation to reflect the actual average daily attendance of the sending school's students or by an agreed upon percentage of enrollment that must not exceed 95%.
