

HB 1622 -- WORKFORCE DEVELOPMENT INVESTMENTS OF PUBLIC UTILITIES

SPONSOR: Justus

This bill requires the Public Service Commission to permit electrical corporations and gas corporations to recover workforce development investments.

An electrical or gas corporation is entitled to defer to a regulatory asset such corporation's workforce development investments made between August 28, 2024, and December 31, 2034, up to .55% of the corporation's total operating revenues as reported to the Commission for calendar year 2023.

This bill is the same as HB 874 and SB 140(2023).
