

HB 1666 -- DIETITIANS

SPONSOR: Peters

This bill specifies that, a first time applicant who has not previously taken or passed an examination may obtain without examination a nonrenewable temporary license by paying a temporary-license fee and submitting an agreement-to-supervise form that is signed by a licensed dietitian who has agreed to supervise the applicant. Such temporary licensee may practice dietetics, but any such practice must be under the supervision of a dietitian licensed in this state.

The supervising dietitian must have an unencumbered license to practice and he or she cannot be an immediate family member of the temporary licensee.

The temporary license obtained by an applicant will expire the date the licensee's employment with the supervising dietitian has ceased or within one 180 days of its issuance, whichever occurs first.

This bill is the same as HB 873 (2023)
