

HB 1781 -- INTOXICATING CANNABINOID CONTROL ACT

SPONSOR: Perkins

This bill establishes the "Intoxicating Cannabinoid Control Act".

The bill defines "CBD", "Cannabimimetic agent", "Cannabinoid", "Department", "Intoxicating cannabinoid", "Intoxicating cannabinoid product", "Marijuana", and "synthetic cannabinoid" as pertaining to the Act.

This bill specifies that any intoxicating cannabinoid, in any form and from any source, is subject to the regulations promulgated by the Department of Health and Senior Services under Article XIV of the Constitution of Missouri and treated as marijuana under such regulations and sold only at dispensaries licensed by the Department.

This bill is similar to HB 1328 (2023).
