

HB 1884 -- INCOME TAX REFUNDS

SPONSOR: Lewis (25)

This bill expands the definition of a "state agency" to include municipalities with populations over 250,000 that may receive a taxpayer's tax refund, or any portion thereof, to set off a debt to that municipality, for eligible debts arising on or after January 1, 2025.

This bill is similar to HB 1241 (2023).
