

HB 2080 -- COUNTY LICENSE FEES ON FILLING STATIONS

SPONSOR: Brown (149)

This bill authorizes certain counties to regulate, license, and establish and collect a license fee on gasoline filling stations and, upon voter approval, base the license fee on a percentage or dollar amount per gallon of gasoline or diesel sold, or on a percentage or dollar amount of the rate charged for the use of electric charging stations per kilowatt hour, if applicable.

Upon enactment this bill applies to New Madrid County.

This bill is similar to HB 414 (2023).
