

HB 2105 -- INFORMATION ABOUT SCHOOL BOARDS MEMBERS

SPONSOR: Christofanelli

This bill requires that before June 1st school districts submit to the election authority a report containing the name of the district, name, length and expiration of term for each board member and a hyper link to a web page or written documentation of the requirements and process for filing for candidacy to the board of education of the district.

The bill requires that the election authority in each district submit to the Secretary of State by July 1st, and the Secretary of State shall compile and post on the state website, an annual report listing the name, school district, election date, and expiration of term for each school board member by August 1st of each year.
