

HB 2212 -- COUNTY CLASSIFICATION STATUS

SPONSOR: Hudson

This bill increases the assessed valuation for county classification status.

To be considered first classification, the assessed valuation of a county increased from \$900 million dollars and over to \$1.8 billion and over.

To be considered second classification, the assessed valuation of a county increased from between \$600 million and less than the assessed valuation necessary for first class to \$1.2 billion and less than the assessed valuation necessary for first class.

To be considered third classification, the assessed valuation of a county increased from less than \$600 million assessed valuation to less than \$1.2 billion.
