

HB 2289 -- MISSOURI HIGHWAYS AND TRANSPORTATION COMMISSION

SPONSOR: Riggs

This bill provides that the State Highways and Transportation Commission is dissolved and the Department of Transportation will be under the charge of a director appointed by the Governor with the advice and consent of the Senate.

The Revisor of Statutes will change all references to the State Highways and Transportation Commission to the Department of Transportation.

The provisions of this bill will become effective only with the passage and approval by the voters of a Constitutional Amendment submitted to them by the General Assembly regarding the dissolution of State Highways and Transportation Commission.
