

HB 2395 -- MEDICAL ALERT SYSTEM

SPONSOR: Mosley

This bill establishes the Christian Taylor Ferguson ("CTF") Medical Alert System to aid in identifying and locating a missing endangered person, defined as a person, including a child, who is missing under unexplained, involuntary, or suspicious circumstances and who is believed to be in danger because of a medical condition that requires immediate care, medication, or treatment.

The CTF Medical Alert System shall be set up and maintained in a manner similar to the Amber Alert System. The Department of Public Safety shall develop regions to provide the System and to coordinate local law enforcement agencies and public commercial television and radio broadcasters. The Department shall also administer and promulgate rules to implement the provisions of this bill.

Persons knowingly making a false report to trigger an alert under this bill shall be guilty of a class A misdemeanor.

This bill is the same as SB 1155 (2024).
