

HB 2400 -- ASSIGNMENT OF BENEFITS

SPONSOR: Davidson

The bill specifies the time frames and notices that health carriers and prepaid dental plan corporations must follow when submitting, acknowledging, requesting, and paying claims. It also outlines the penalties and interest for late or unpaid claims.

The bill explains how health carriers and prepaid dental plan corporations must communicate the reasons for denying a claim and how claimants can appeal a denial. It also describes how the Department of Commerce and Insurance monitors denials and handles fraudulent claims.
