

HB 2557 -- PERSONAL FLOTATION DEVICES

SPONSOR: Lonsdale

This bill establishes "Hannah's Law", which increases the maximum age at which a person must wear a personal flotation device on board a watercraft from seven years old to 13 years old, and extends this requirement to wading or swimming in navigable public waters more than three feet in depth. This does not apply when the person under the age of 13 is supervised by a lifeguard.
