

HB 2586 -- SALE OF CERTAIN LIGHTERS

SPONSOR: Bland Manlove

This bill specifies that it is unlawful to sell or distribute, including by way of free samples, "novelty lighters" or unsafe or "counterfeit lighters", as such terms are defined in the bill.

This bill does not prohibit interstate transportation of counterfeit or unsafe lighters or storage of counterfeit or unsafe lighters in a warehouse or distribution center which is closed to the public and does not distribute or sell, at retail, counterfeit or unsafe lighters.

This bill is similar to HB 1024 (2023).
