

HB 2868 -- DISCLOSURE OF MEDICAL INFORMATION TO HEALTH CARRIERS

SPONSOR: Stinnett

This bill specifies that records containing information concerning a person's HIV infection status, or the results of HIV testing, may be provided to health carriers for the purposes of treatment, payment, and health care operations, as described in the Federal Health Insurance Portability and Accountability Act (HIPAA) and its implementing regulations.

This bill is similar to SB 1255 (2024).
