

HB 2923 -- ADMISSIBILITY OF EVIDENCE OF CREATIVE OR ARTISTIC
EXPRESSION

SPONSOR: Christofanelli

This bill establishes the "Restoring Artistic Protection Act of 2024", which specifies that, subject to exceptions provided in the bill, evidence of a defendant's "creative or artistic expression", defined in the bill, whether original or derivative, is not admissible against the defendant in a criminal case except under certain circumstances. If the court admits any such evidence, the court must ensure that the expression is redacted in a manner to limit the evidence presented to the jury and the court must provide appropriate limiting instructions to the jury.

This bill is similar to HB 353 (2023).
