

HJR 121 -- VALID MARRIAGES

SPONSOR: Burton

Currently, the Missouri Constitution states that a valid and recognized marriage in this State must be between a man and a woman.

Upon voter approval, this proposed Constitutional amendment would make a valid and recognized marriage in this State between two persons regardless of their genders.

This bill is the same as HJR 53 (2023) and similar to HJR 84 (2022).
