**I am in Support of this Bill. We NEED to work and strive towards increasing Teacher Pay in ALL of Our 518 Public School Districts. But where will the \$56,000,000 Million Dollars come from Annually or \$170,000,000 over the next three (3) years.**

I OPPOSE HB 1810 as introduced. I oppose giving DESE (department of elementary and secondary education) more power. I oppose allowing DESE to "promulgate all necessary rules and regulations for the administration of this section". (lines 33 and 34 on page 2)Allowing departments to promulgate rules and regulations often times has unintended consequences and results in a finished product that's outside of the original intent and spirit of the bill.
