THE INFORMATION ON THIS FORM IS PUBLIC RECORD UNDER CHAPTER 610, RSMo.

Associated Industries of Missouri supports this bill that clarifies the exemption from sales and use taxes for durable medical equipment including brain cancer treatment devices. The General Assembly has passed this language before, but the Mo. DOR did not interpret the language as being sufficient to provide the exemption. The FDA-approved devices involved help extend terminal cancer patients lives by controlling the growth of inoperable cancer tumors in the brain.
