I am in Support of this Bill. 250-CC Bikes are hard to come by in today's Market as Manufacturers have increased the Engine to 300-CC's. This is a Common-Sense Legislation.

This is a sensible Bill to increase the power CCs of a Motorcycle, by providing additional power to get out of the way of potential Traffic Safety Hazards or other drivers. To obtain a Motorcycle Endorsement at 15.5 Years of age, here is the Following Information provided by the Missouri department of Revenue: **EARNING YOUR LICENSE** Safe riding requires knowledge and skill. Licensing tests are the best measurement of the skills necessary to operate safely in traffic. Assessing your own skills is not enough. People often overestimate their own abilities. It's even harder for friends and relatives to be totally honest about your skills. Licensing exams are designed to be scored more objectively. In Missouri, you must have a Class M motorcycle license or permit, or a driver license with the M endorsement if you operate a motorcycle or motorcycle on public roadways. You may apply for a temporary motorcycle instruction permit at 15 1/2 years of age (15 years and 182 days). This permit will only be issued if you have successfully completed an approved motorcycle rider training course (MRTC). You must also pass the Class F and Class M written, vision and road sign tests and have the written consent of your parent or legal guardian. The cost of the permit is \$6.25 (\$2.75 of this fee applies to the MRTC). **NOTE:** The following restrictions apply to all Missouri motorcycle instruction permit holders that are under age 16: • Engine with a displacement of not greater than 250 cc • No passengers • 50 mile limit from the operator's home address • Daylight driving only If you are 16 years of age, you may apply for a temporary motorcycle instruction permit. You must pass the Class M written test, but you do not have to take the MRTC. The cost of the permit is \$3.50. If you do not have a driver license, you can take the Class F and Class M written tests to receive a motorcycle permit (Class F with an M endorsement). Applicant's who are 15 1/2 to 18 years of age must also comply with Graduated Driver License eligibility requirements and restrictions. Refer to the Department of Revenue web site at www.dor.mo.gov/mvdl/drivers/ for details. When you are ready, you may take the motorcycle skills test (MSHP or MRTC) to be motorcycle qualified. The cost of a Class M motorcycle license is \$10.00 for a 3-year license and \$20.00 for a 6-year license. To earn your license, you must pass a knowledge test and an on-motorcycle skill test. Knowledge test questions are based on information, practices and ideas from this manual. They require that you know and understand road rules and safe riding practices. An on-motorcycle skill test will either be conducted in an actual traffic environment or in a controlled, off-street area.
