I am in Support of this Bill. This Bill makes sense to hold a County Meeting in a Facility large enough to accommodate the Public.

My name is Spencer Owens and I'm the City Clerk for Shrewsbury, MO. I am submitting this comment of my own volition and this testimony does not represent any opinion of the City of Shrewsbury. I am in full support of this legislation as it will allow rural county committees who may not have access to proper venues in their county seat to find a better location for meetings. Some county seats aren't even the largest cities in their counties anymore, thus they don't even provide access to the largest amount of people.
